Product Description:

Cucumber Bead Cleanser delivers deep refreshing cleansing without irritation or abrasion. Circular polyethylene granules in a cream base efficiently exfoliate pore-clogging oils and cellular debris.

Skin Conditions:

For all skin types.

Benefits:

- The epidermis is exfoliated gently
- Skin feels smoother
- Reduces oily skin zones
- Balances the skin

Usage: Apply a small amount to pre-moistened fingers and lightly massage to skin. Rinse with tepid water. May be used once or twice daily in place of soap or other cleansers.

Treatment Room: Clarifying Enzyme Facial, Classic Nourishing Facial, Smoothing A.H.A Body Peel.

Featured Actives:

Ammonium Lauryl Sulfate - A surfactant with excellent emulsifying capabilities. Has a mild acidic pH level to help remove impurities.

Polyethylene Beads - Gently exfoliates the surface of the skin in a non-abrasive manner. May even be used by delicate skins if applied lightly.

Cucumber Extract - An aromatic extract that adds an astringent and antibacterial action. It is moisture binding and moisture regulating, soothing, tightening, anti-itching, and anti-inflammatory as well as refreshing, softening and healing.

Grape Seed Oil - There are numerous studies that demonstrate the many benefits of grape seed oil. Grade Seed extract is one of the most powerful antioxidants, protecting cells from free radical damage due to its high linoleic acid content.

Glycerin - Helps the skin retain moisture.
