

## Botanical Soothing Cream SPF 30

## Botanical Soothing Cream SPF 30

Sizes Available  
2.5oz, 6oz

**Product Description:**

Aloe vera, vitamin E and vitamin A join forces to neutralize the redness and flushing that result from vascular over-stimulation. Non-irritating microfine zinc oxide provides full spectrum sunscreen protection.

**Skin Conditions:**

For reddened, inflamed or Rosacea-prone skin.

**Benefits:**

- Helps reduce flushing, redness, and vascular stimulation
- Protects, calms, soothes and softens the skin

**Usage:** Apply generously with fingers to entire face and neck. Use daily.

**Treatment Room:** Classic Nourishing Facial, Botanical Soothing Facial, Revitalizing Cream Peel Facial

**Featured Actives:**

**Octinoxate 6%** - This ingredient is an excellent UV absorbing sunscreen. It is non-allergic, non-comedogenic.

**Octisalate 5%** - Absorbs ultraviolet light, protecting skin from the harmful effects of exposure to sunlight.

**Oxybenzone 3%** - A safe and effective sunscreen ingredient that is one of the most effective and highest rated substances to absorb UVA and UVB rays.

**Zinc Oxide (2%)** - Blocks both UVA and UVB rays. It provides the broadest spectrum protection of any single sunscreen ingredient.

**Aloe Barbadensis Leaf Juice** - This plant extract improves the circulation and regenerates the cells. The effects are soothing, astringent, and protecting. Aloe has been recognized for many years as being anti-inflammatory and antibiotic. Aloe is also excellent for sensitive skin, rosacea conditions, and dry skin.

**Vitamin E (Tocopherol Acetate)** - Absorbed through the skin when applied topically, it is attributed with reducing skin pigmentation, decreasing functioning of the sebaceous glands, increasing water retention in the skin, and serving as a super antioxidant and free radical scavenger. It is also helpful as an UV protectant.

# Botanical Soothing Cream SPF 30

**Wheat Germ Oil** - Known to be antioxidant and serves as a free radical scavenger.

**Alpha Hydroxy Acid (AHAs)** - In this formulation a combination of naturally derived alpha hydroxy acids occur in the form of Lemon, Orange, Sugar Maple, and Cane Sugar extracts.

**Honey Extract** - This extract is composed of a variety of sugars, vitamins, enzymes, and amino acids. It works well when blended with other skin care ingredients and softens and moisturizes the skin. It creates a watertight film and permits the skin to re-hydrate itself.

**Grapefruit Seed Extract** - This seed extract is known for its antiseptic and antibacterial properties. It has naturally occurring Vitamin C and is an antioxidant.

**Allantoin** - An excellent ingredient for sensitive, acneic, and irritated skin conditions. It is a botanical extract derived from the comfrey root and is known to be healing. Furthermore, studies show that this extract aids in the healing of scarred skin by stimulating new tissue growth.
