

## Organic Orange, sweet – *Citrus aurantium*

**Code:** OR013

**Vol:** 10ml

**Country of Origin:** Morocco

### About the oil

**Distilled From:** Expressed from the peel of the fruit.

**Aroma & appearance:** Sweet, warm, citrus aroma. Pale yellow to amber in color

### Some beneficial ways of enjoying the oil:

- This wonderful oil makes an excellent addition to any winter evening. For a heart-warming bath, blend 2 drops of Sweet Orange, 3 drops of Lavender and 2 drops of Benzoin in a teaspoon of Sweet Almond oil before adding to a hot bath for a long soak!
- For the perfect Christmas atmosphere, add 3 drops of Sweet Orange and 2 drops of Frankincense, and 5 drops of Rose Absolute 5% to the water in an oil burner.

Brazil is by far the biggest producer, dominating the market. After careful selection of a number of good quality orange oils, Absolute Aromas selected this exceptionally mouth-watering Moroccan oil reminiscent of juicy oranges.

### Did you know?

Sweet orange is a lower-cost essential oil because it tends to be produced as a by-product of orange juice

**Key Search words:** Warming, stimulating, uplifting, fresh, lymphatic stimulant, soothes the nerves, balances skin gland functions, antidepressant, anti-inflammatory

### Safety Data

To be used in moderation by those with sensitive skin. Avoid use in direct sunlight.
