## Seaweed Collagen Mask

### Description

This soothing seaweed mask contains a high concentration of collagen, proteins, vitamins, and minerals. It can be prepared with hot water for mature skin during cold weather, prepared with cold water for oily to acne skin during hot weather, or prepared with room temperature water for normal skin. Can be used with any facial treatment, from acid peels to laser resurfacing.

**Skin Type:** All skin types; rosacea and post-treatment skin; good for anti-aging, brightening, soothing, and plumping treatments.

### Benefits:

- Hydrates, brightens, soothes, revitalizes, and plumps up fine lines and wrinkles.

### Ingredients

Algae Colloid, Beta-Carotene, Amino Acids, Vitamin A, Vitamin C, Vitamin B12, Mineral Macronutrients (Sodium, Calcium, Magnesium, Potassium, Chlorine, Sulfur, and Phosphorus).

Algae Colloid	Extracted from the cells of seaweed. The 3 major ones include alginates, agars, and carrageenans. Used as thickening agents.
Amino Acids	Enhances water retention and skin moisturization.
Beta-Carotene	An antioxidant. Beneficial for dry, flaking skin.
Mineral Macronutrients (Sodium, Calcium, Magnesium, Potassium, Chlorine, Sulfur, and Phosphorus).	Nutrients that are essential for normal cell activity.
Vitamin A	Helps regulate keratin. Helps improve the skin's texture, firmness, and smoothness. Provides anti-aging benefits.
Vitamin B12	Helps improve skin conditions such as eczema.
Vitamin C	A well known antioxidant that is popular in anti-aging products.

## Usage Instructions

This product is packaged 2 different ways:

- ❑ 2.2 lb.
- ❑ Single Use package: 1.4 oz.

*Note: This mask can be used on cleansed skin or on top of gel, cream, or oil-based products.*

1. After cleansing your client's skin, mix:
  - ❑ 2.2 lb.: Combine 4 scoops (1 oz. which is equal to 2 TBS.) with 3 scoops of warm, cool, or room-temperature water until it forms a jelly like ball that has absorbed all or most of the water.
  - OR**
  - ❑ Single Use: Combine 1 packet (1.4 oz.) of mask powder with 4.2 oz. of warm, cool, or room-temperature water until it forms a jelly like ball that has absorbed all or most of the water.
2. Separate the ball into sections for forehead, nose, cheeks, chin, and upper lip.
3. Spread evenly over the face. (*Note: this jelly-like substance is a little tricky to handle. To make it easier to handle, we suggest you apply a gauze mask to the face and spread the jelly-like substance over the mask.*)
4. Leave the mask on for 20 minutes. The mask will not harden.
5. Remove mask in one piece and massage excess into the skin.
6. Complete treatment by applying a toner and moisturizer according to your client's skin type as well as sun block.
