
Platinum Antioxidant Mask

Description

Your ally against aging, dullness, and spots! The Platinum Mask oxidizes unsaturated fatty acids that create wrinkles, spots, freckles, and damage the skin cells. It also helps revive the skin's youthfulness and wellness by continually producing negative ions to enrich the metabolism of the skin cells.

Skin Type: All skin types, aging skin, hyperpigmented skin.

Benefits:

- ❑ Fights aging, dullness, and spots.
- ❑ Offers strong antioxidant protection, naturally eliminating active oxygen and free radicals that destroy collagen and elastin in the dermis.
- ❑ Improves the skin's moisture-retention capacity.
- ❑ Improves the body's immune system.

Ingredients

Algin, Zea Mays (Corn)Starch, Diatomaceous Earth, Calcium Sulfate, Glucose, Hydrolyzed Collagen, Magnesium Carbonate, Algae Extract, Mica, Green Tea Extract, Disodium Phosphate, Ginkgo Biloba Leaf Extract, Platinum Powder.

Algae Extract	An active substance used to normalize the skin's moisture content. Provides suppleness and firmness to the epidermis.
Algin	Thickener, stabilizer. Obtained from brown seaweed.
Calcium Sulfate	Plaster of Paris. A fine white powder that is a firming ingredient.
Diatomaceous Earth	Formed from the fossil remains of diatoms (one-celled algae with shells). Very porous. Clarifying agent. Can absorb four times its weight in water.
Disodium Phosphate	Inorganic salt - considered a moisturizer because it absorbs moisture from the air and releases it to the skin.
Ginkgo Biloba Leaf Extract	A beneficial anti-aging ingredient - has antioxidant properties. Also appears to help the production of collagen and elastin. Anti-inflammatory, may help improve a couperose condition due to its protective effect on vascular walls.
Glucose	Has moisture-binding properties. Helps soothe the skin.
Green Tea Extract	Powerful antioxidant due to its catechin content. Also has antibacterial, anti-inflammatory, and stimulating properties.
Hydrolyzed Collagen	Modified collagen. Has the ability to bind and retain many times its weight in water.
Magnesium Carbonate	Perfume carrier, anticaking ingredient, and coloring agent.

Mica	Silicate mineral that is a texturizer and coloring agent.
Platinum Powder	Has an excellent bio-catalysis, antioxidant properties, and stable coloring properties.
Zea Mays (Corn)Starch	Rich in amino acids, sugar, vitamin B, and phthalates. Helps increase skin metabolism.

Usage Instructions

Note: This product comes in 2 different packages.

- ❑ 2.2 lb.
- ❑ 2 oz.

1. After cleansing your client's skin, mix:
 - ❑ 2.2 lb. size: 4 scoops (1 oz. which is equal to 2 TBS.) with 3 scoops of tepid water until it forms a paste.
 - OR**
 - ❑ 2 oz. size: One -half of the 2 oz. packet of mask powder with 1.8 oz. (approximately 3 and ½ TBS.) of tepid water until it forms a paste.
2. Apply the paste onto the skin with a spatula.
3. Leave the mask on for 15-20 minutes.
4. Remove mask in one piece and rinse with warm water.
5. Complete treatment by applying a toner and moisturizer according to your client's skin type.
