## Cryogenic Masque

### Description

This Cryogenic Mask is an outstanding treatment with immediate results! Relax under the pleasant cooling sensation as the mask hardens and ingredients seep into the skin. A cooling algae-based mask for the face that rubberizes and peels off. Contains vitamins A and E as well as spirulina, which hydrates the skin and contributes to tissue regeneration.

**Skin Type:** For all skin types, especially sensitive or over-stimulated skin.

### Benefits:

- ❑ Soothes, calms, and hydrates irritated skin while purifying clogged pores.
- ❑ Helps regenerate tissue.

### Ingredients

Powder: Alginic Acid, Menthol, Spirulina, Mannitol, Vitamins A & E, Thyme, Spearmint

Activator: Water, Glycerine, Propylene Glycol, Polysorbate-20, Menthol, Quaternium 15

Alginic Acid	Elasticizes, moisturizes, and purifies the skin.
Glycerine	A solvent, humectant, and emollient. It absorbs moisture from the air.
Mannitol	A humectant - moisturizes.
Menthol	Has antiseptic, cooling, and refreshing properties. Also stimulates circulation of blood.
Polysorbate-20	A solubilizer, emulsifier, viscosity-modifier, and stabilizer of essential oils in water.
Propylene Glycol	Moisture carrying vehicle used in cosmetic formulations.
Quaternium 15	An all-purpose preservative. Active against bacteria, mold, and yeast.
Spearmint	A cooling, aromatic stimulant that has cleansing and decongestant properties. Good for acne and oily skin.
Spirulina	Humectant - has hydrating effect on the skin. Protein enriched - helps stimulate fibroblasts and the regeneration of tissue.
Thyme	Has antiseptic properties.
Vitamin A	Helps regulate keratin. Helps improve the skin's texture, firmness, and smoothness. Provides anti-aging benefits.
Vitamin E	An important oil-soluble antioxidant and free-radical scavenger when applied topically. It also has photoprotectant capabilities and helps protect the cellular membrane from free-radical damage. It also serves a preservative function due to its ability to protect against oxidation.

---

### **Usage Instructions**

1. Lubricate the client's eyebrows and hairline with a moisturizer to prevent the mask from sticking to the hair.
2. Empty 1 packet of the Cyrogenic Mask into a bowl and add 1 packet of Activator.
3. Mix rapidly for approximately 30 seconds until a frosting like consistency is reached.
4. Immediately (before it hardens), apply to the face and neck until covered.
5. Let dry for 20 minutes.
6. To remove, roll the mask from the neck and lift off as one piece.
7. Follow with a hydrating serum or cream appropriate for your client's skintype.
