
Olive Oil & Leaf Mask

Description

Wonderful for age control! This treatment contains olive oil to improve skin elasticity and olive leaf extract for stimulation and its antioxidant properties.

Skin Type: All skin types, especially aging skin.

Benefits:

- ❑ Helps improve skin elasticity.
- ❑ Has antioxidant properties.

Ingredients

Solum Diatomeae, Alginate, Calcium Sulfate, Sodium Phosphate, Tetrasodium Pyrophosphate, Olive Oil, Olea Europea L. (Olive) Leaves, CI 77492

Alginate	A thickener that is obtained from marine extracts.
Calcium Sulfate	Plaster of Paris. A fine white powder that is a firming ingredient.
CI 77492	Cosmetic colorant - Yellow.
Olive Leaves	Rich in antioxidants that help neutralize damaging free radicals. Helps boost the immune system and fight off harmful bacteria. Contains several beneficial flavonoids that have anti-inflammatory and antimicrobial effects.
Olive Oil	A carrier oil with excellent lubricity. Helps stimulate the synthesis of collagen, elastin, proteoglycans, glycoproteins.
Sodium Phosphate	Helps maintain the pH of a product.
Solum Diatomeae	Diatomaceous earth. A porous and relatively pure form of silica formed from fossil remains of diatoms (one-celled algae with shells). Used as a clarifying agent. Can absorb about 4 times its weight in water.
Tetrasodium Pyrophosphate	A buffering and chelating ingredient.

Usage Instructions

1. Combine 1 ounce (30 grams) of powder with 3 ounces (90 grams) of water. (*Note the water should be 68° F (20° C).*)
2. Stir vigorously for one minute until you get a homogeneous paste.
3. Apply the paste immediately to the face avoiding the area around the eyes. (*Note: protect eyes with cotton balls.*) The mask should set within 5-6 minutes.
4. Leave the mask in place for at least 15 minutes.
5. Remove by peeling it off in one piece.
