## Collagen Crow's Feet Eye Pads

### Description

Crow's Feet Eye Pads help diminish the signs of aging by eliminating crow's feet. They help decrease surface wrinkles, deep furrows, and fine lines. Suitable for all skin types, especially dry, aging skin.

**Skin Type:** All/aging skin.

### Benefits:

- ❑ Helps diminish the signs of aging by eliminating crow's feet.
- ❑ Helps decrease surface wrinkles, deep furrows, and fine lines.
- ❑ Suitable for all skin types, especially dry, aging skin.

### Ingredients

Purified Water, Vegetable Glycerin, Quince Extract, Marine Collagen, Carbomer, Allantoin, Butylene Glycol, Caffeine, Ginseng Root Extract, PEG-60 Hydrogenated Castor Oil, Horse Chestnut Extract, Sodium Hyaluronate, Imidazolidinyl Urea, Fragrance, Methyl/Propyl/Butyl Paraben.

Allantoin	A botanical extract that is healing and soothing. An excellent anti-irritant (temporary) that helps heal damaged skin by stimulating new tissue growth.
Butylene Glycol	A solvent with good antimicrobial properties. It enhances the preservation activity of parabens.
Butylparaben.	Preservative - generally used in combination with other preservatives. Only effective in the acid pH range.
Caffeine	Has the ability to break down lipids and has a lipolytic effect on fatty cells. Helps firm and tighten the skin.
Carbomer	Thickening and suspending agent; emulsion stabilizer.
Fragrance	Provides an aroma to the product.
Ginseng Root Extract	Serves as a tonic. Nourishing due to its vitamin and hormone content. Helps diminish wrinkles and dry skin. Helps increase skin elasticity.
Horse Chestnut Extract	Has antiphlogistic, anti-inflammatory, spasmolytic, toning, and astringent properties. Promotes improved circulation.
Imidazolidinyl Urea	A commonly used antibacterial preservative. Has a low sensitizing potential.
Marine Collagen	Derived from the substance found on fish scales. Helps diminish the signs of aging and decrease the negative effects of toxins.
Methylparaben.	Preservative used to combat bacteria and molds.

---

PEG-60 Hydrogenated Castor Oil	Fragrance ingredient, surfactant, and cleansing agent. Its primary function is as a cleansing agent.
Propylparaben.	Frequently used preservative against bacteria and mold.
Purified Water	Water that is mechanically filtered or processed so that it is clean and free of any contaminants.
Quince Extract	An astringent and tonic - good for dry skin.
Sodium Hyaluronate	Used as a moisturizing agent, viscosifier, and emulsifier. Capable of binding 1,800 times its own weight in water.
Vegetable Glycerin	A solvent, humectant, and emollient. It absorbs moisture from the air.

**Usage Instructions**

1. Open packet and place eye pad on the side of the eyes from the cheek bone to the outer eyebrow.
2. Leave on for 15 to 20 minutes.
3. Remove eye pads and discard.
4. Finish with a toner and moisturizer.
