## Neck Lift Collagen Crystal Mask

### Description

The advanced Neck Lift Collagen Mask helps fight against sagginess, wrinkles, and aged rough skin texture. This mask is designed to help firm, lift, and moisturize the skin around the neck, an area often overlooked. It helps leave the neck skin soft and smooth without revealing the secret of your age.

**Skin Type:** Suitable for all skin types, especially for loose skin texture around the neck area.

### Benefits:

- ❑ Helps fight against sagginess, wrinkles, and aged rough skin texture.
- ❑ Helps firm, lift, and moisturize the skin around the neck.
- ❑ Helps leave the neck skin soft and smooth.

### Ingredients

Deionized Water, Marine Collagen, Amino Acids, Betaine, Hyaluronic Acid, Hydrolyzed Glycosaminoglycans, Sodium Chloride, Potassium Chloride, Sodium PCA, Arginine, Vitamin E, Vitamin B5, Retinyl Palmitate, Aloe Vera Extract, Ginkgo Extract, Rose Essential Oil, Phenoxyethanol.

Aloe Vera Extract	An emollient with hydrating, softening, healing, antimicrobial, and anti-inflammatory properties.
Amino Acids	Enhances water retention and skin moisturization.
Arginine	An amino acid used as a skin conditioning agent.
Betaine	A surfactant and excellent conditioner, viscosity builder, and foam booster.
Deionized Water	Water that has had the ions removed.
Ginkgo Extract	A beneficial anti-aging ingredient - has antioxidant properties. Also appears to help the production of collagen and elastin. Anti-inflammatory, may help improve a couperose condition due to its protective effect on vascular walls.
Hyaluronic Acid	A substance that occurs naturally in the dermis. It is a natural moisturizer with excellent water-binding capabilities. When applied to the skin, it forms a film similar to the way it holds water in the intracellular matrix. The ability to hold water provides smoothness, improving the skin's appearance.
Hydrolyzed Glycosaminoglycans	Has hygroscopic (capable of absorbing moisture) properties. Its small molecular structure allows it to penetrate the outer epidermal layers.
Marine Collagen	Derived from the substance found on fish scales. Helps diminish the signs of aging and decrease the negative effects of toxins.

---

Phenoxyethanol	Broad range preservative with fungicidal, bactericidal, insecticidal, and germicidal properties.
Potassium Chloride	Increases viscosity in cosmetic preparations.
Retinyl Palmitate	Skin conditioner. Considered a milder version of retinoic acid. Converts to retinol on the skin. Helps increase epidermal thickness, stimulate epidermal protein, and increase skin elasticity.
Rose Essential Oil	Has antiseptic, disinfectant, and soothing properties. Good for all skin types, especially mature, dry, or sensitive skin.
Sodium Chloride	Used as a preservative, astringent, and antiseptic to treat inflamed lesions.
Sodium PCA	High performing humectant derived from amino acids. Found naturally in the skin.
Vitamin B5	Acts as a penetrating moisturizer. Appears to stimulate cellular proliferation and aid in tissue repair.
Vitamin E	An important oil-soluble antioxidant and free-radical scavenger when applied topically. It is also has photoprotectant capabilities and helps protect the cellular membrane from free-radical damage. It also serves a preservative function due to its ability to protect against oxidation.

**Usage Instructions**

1. Open packet, lay mask on thoroughly cleansed neck area.
2. Leave it on for 15 to 20 minutes. Remove mask and discard.
3. Massage for one minute and apply moisturizer.
