

Bead Bottle Instructions

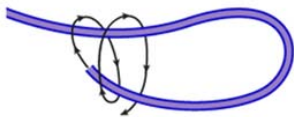

Making your own Bead Bottle creation is simple with our step by step instructions!

1. Cut cord to desired length, plus a few extra inches for knots.
2. Thread one end of the cord through the clasp and secure with a double knot.
3. Do your thing, bead that string!
4. Create a loop with a double knot. (See below)
5. Trim the end of cord and apply a dab of craft glue to the knots.
6. Put it on, go forth, and be beautiful!

Double Knot Step-by-Step:

a. Loop end around cord two times

b. Feed end through double loop

c. Tighten knot, adjust loop to desired size
