Fluent™ Extra Strength Conditioning Lacquer Remover

Fluent Extra Strength Conditioning Lacquer Remover is a specially-formulated vegan lacquer remover with a complex of non-drying sugar derived solvents. Features Italian Red Mandarin essential oil to energize the sacral chakra. This very effective polish remover does not leave behind the usual harsh, headache-inducing acetone smell on the skin; instead, the wonderful aroma of Italian Red Mandarin is all that lingers.

Note: The acetone in this product is sugar derived instead of petroleum derived.

Essential Oil Benefits:

- ❖ Soothing, purifying, antiseptic

Professional Care:

- ❖ Moisten a cotton pad with remover and apply to nail surface to soften lacquer. Then, wipe polish from nail base to nail tip until all lacquer is removed.

At-Home Care:

- ❖ Clean nails with soap and water and thoroughly dry before each application. Apply Farewell® to affected areas on fingernails or toenails twice a day. Do not rinse.

Key Ingredients:

- ❖ Italian mandarin oil to balance the Sacral Chakra

Eco-Conscious Aspects:

- ❖ Formaldehyde, toluene, and DBP free
