

TWEEZERMAN Professional

FACIAL

Facial Hair Scissors

ITEM CODE: 2902-P (Stainless Steel), 2900-P (Nickel-plated)

Description

Scissors with sharp blades for precise cutting of facial, nose and ear hair. Blades sweep away from skin with rounded tips for safety. Also excellent for trimming moustache and brow hairs.

Feature	Benefit
Stainless steel	Durable, easy to clean
Nickel-plated	Economical
Rounded tips	Safety
Sharp blades	Cut to the tips

Product Usage

Always trim nose or ear hair — never pull or yank. Position scissors tips slightly inside nostril or ear, and carefully cut visible hair only. Also great for stray brow hairs.

Tips & Tricks

Caution: When cutting in ear or nostril, cut visible hairs only
