

TWEEZERMAN Professional

MANICURE

Pushy Cuticle Pusher

ITEM CODE: 3300-P

Description

Our patented stainless steel Pushy has thin, hand-buffed edges for pushing back cuticles and cleaning under and around the nail without scratching. Its textured body provides a secure grip and is great for both manicures and pedicures.

Feature	Benefit
Double sided	One side pushes cuticles and the other cleans under nails
Buffed edges	To prevent scratching
Textured body	Non-slip grip
Stainless steel	Durability, easy cleaning

Product Usage

Use the flat end to push back cuticles and the rounded end to clean under nails. Clean after use.

Tips & Tricks

Rounded edge can also be used to push back cuticles

Works Great With

V-Cuticle Nipper
Stainless Steel Fingernail Clipper
Supersoft Nail File
