Slant Tweezer

Point Tweezer

Leather Case

Product Usage

Use the Slant for expert brow shaping. Always tweeze one hair at a time in direction of hair growth. For ingrowns, cleanse skin and disinfect tip of Point tweezer. After any work under the skin, clean area again with disinfectant.

Tips & Tricks

They may be miniature, but these pint-sized brow tools are all you need to perfect your brows, even in a pinch. Don't let last-minute or on-the-go circumstances keep you from framing your gaze perfectly. The travel-friendly protective leather case fits easily into your pocket or purse and the to-go-sized tweezer duo is all you need for a brow quick-fix, right at your fingertips.

Works Great With
