

C3722 2-in-1 Steamer & Mag Lamp

Copy

Ion Facial Steamer with Ozone. It automatically powers off when water level is low and features immediate water refill.

The Facial Steamer does not have a beeper, allowing for silent operation. Water capacity of the cup is 700 ml.

The Magnifying Lamp is 5-diopter. Its adjustable arm allows you to position the magnifier and the circling tube gives a soft, even light to the subject you are magnifying.

Includes metal cross base.
