

C9389T

LUCAS CHAMPIONNIERE

The Lucas Spray is the most unique of all atomizers and sprays. The spray carries plant extracts, herbal teas, essential oils, skin refreshers, and astringents to the face in a very fine mist. This robust chrome unit features an insulated handle and 2 glass jars. One can be filled with an infusion of essential oils or a mixture of tonic and water. The other acts to catch condensation and drips. The infusion is mixed with steam in the nozzle to produce a cool steam effect. Excellent for treating dehydrated, mature and couperous skin types.
