**DENALI**

COMFORTSOUL.COM

The Denali Spa Treatment and Massage Table has a clean, contemporary appearance popular in many of our world-famous spa locations. Our trademarked UltraPlush<sup>™</sup> Cushioning System and DuraSoft<sup>™</sup> Upholstery offers the thickest, softest, most ergonomic padding and cushioning system ever built. Our SmoothLock<sup>™</sup> End Attachment Support allows attachments to glide easily into position.

ComfortSoul's proprietary design incorporates higher quality oak wood, plus unique construction that makes it one of the strongest, most durable, and reliable tables of its kind in the spa industry. The oak frame is made from 100% solid wood, without any brittle compressed wood or veneer seen in many other wood tables. The Denali also features a bottom shelf and a removable accessories cabinet for convenient storage of supplies and equipment. With four inch wide adjustable legs and Double Lock manual height adjustment; the Denali is the strongest height adjustable oak table in the spa industry.

\* Removable Shelf Cabinet shown
