

Rose Quartz CrystalFuzion Facial Mask

Open the Heart — Awaken the Skin with Love and Light

Cherished as the stone of unconditional love and self-care, rose quartz has been used for centuries to nurture the heart & promote inner peace. Our Rose Quartz Glow Mask infuses this loving energy into your skincare ritual, helping restore softness, harmony, & natural radiance. With its gentle, soothing vibration, rose quartz inspires both emotional balance & a luminous, youthful glow.

Benefits for the Skin & Soul

Soothing & Restorative

- The calming energy of rose quartz helps ease tension and soothe the skin, reducing redness and irritation while promoting overall balance and comfort.

Hydrating & Radiance-Boosting

- When paired with serums or moisturizers, the mask helps lock in hydration, leaving the skin plump, dewy, and naturally radiant.

Revitalizing Circulation

- Encourages gentle microcirculation, enhancing oxygen flow and promoting a soft, rosy glow — the hallmark of healthy, loved skin.

Heart-Opening & Uplifting

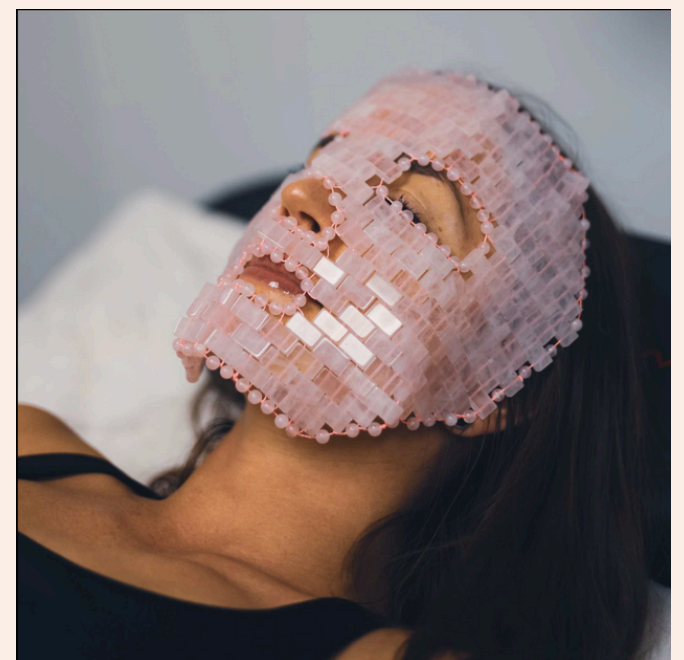

- Known as the “stone of love,” rose quartz is said to open the heart chakra, inviting self-love, compassion, and emotional healing. This inner harmony reflects outward in a calm, glowing complexion.

Detoxifying & Balancing

- Helps support the skin’s natural detox processes and reduce puffiness through gentle lymphatic stimulation, leaving the face smooth and refreshed.

Relaxing & Rejuvenating

- The comforting weight and cool surface of rose quartz create a deeply relaxing experience that soothes both the skin and the soul.

Ritual of Renewal

1. Begin with freshly cleansed skin and apply your favorite nourishing serum or essence.
2. Lay the rose quartz mask over your face, aligning it comfortably with your features.
3. Close your eyes and relax for 10–20 minutes, allowing its soft energy to restore your natural glow.
4. Remove the mask gently and massage any remaining serum into the skin for a luminous finish.

Pro Tip: Chill the mask before use for an enhanced cooling, firming, and de-puffing experience.

The Experience

The Rose Quartz CrystalFuzion Mask transforms skincare into an act of love — calming the mind, softening the heart, and illuminating the skin. It is a ritual of self-connection and compassion, reminding you that beauty begins with kindness — to yourself and your skin.
