

White Jade CrystalFuzion Facial Mask

Awaken Your Inner Glow — The Harmony of Nature and Skin

For centuries, jade has been cherished as a symbol of purity, balance, and renewal. Our Jade CrystalFuzion Mask blends this ancient wisdom with modern skincare science to restore calm, radiance, and vitality to the skin. Naturally cool and deeply grounding, jade embraces your complexion with soothing energy and timeless beauty.

Benefits for the Skin & Soul

Cooling & Calming

- Jade's naturally cool touch soothes the skin, reduces redness, and relieves irritation. Ideal for sensitive or inflamed skin.

De-Puffing & Detoxifying

- The gentle weight of the jade mask encourages lymphatic drainage, reducing puffiness and supporting natural detoxification.

Revitalizing Circulation

- Encourages blood flow and oxygen delivery to the skin, promoting a healthy glow and smoother texture.

Firming & Toning

- The subtle pressure of the mask helps relax facial muscles, enhancing tone, elasticity, and definition.

Enhanced Absorption

- When placed over serums or moisturizers, the jade mask helps seal in hydration and improve product performance.

Deep Relaxation

- The cool weight of jade soothes the mind as it soothes the skin. A moment of quiet balance for face, body, and spirit.

Ritual of Renewal

1. Cleanse your skin and apply your favorite serum or essence.
2. Place the jade mask gently over your face, allowing it to contour comfortably.
3. Rest for 10-20 minutes, breathing deeply and letting tension melt away.
4. Remove the mask and massage remaining product into your skin for a luminous finish.

Pro Tip: For an instant cooling and de-puffing effect, refrigerate the jade mask for 10-15 mins before use.

The Experience

More than a treatment — the Jade CrystalFuzion Mask is a ritual of harmony and restoration. It brings balance to the body's energy, calms the mind, and leaves the skin visibly refreshed and radiant. Reconnect with your inner stillness and reveal a glow that comes from within.
