

Material Safety Data Sheet

1. Product and Company Name

Product Name	Vlash H2O Extend Mascara Sku# V1274T
Hazard Statement	Not Hazardous according to the criteria of NOHSC Not classified as Dangerous Goods according to the criteria of ADG/IATA for transport by Road, Rail and Air.
Supplier	MARTINNI COSMETICS 3035 Research Dr. Richmond CA 94806
Date of Issue	Jan. 2015

This product has been formulated for external cosmetic use.

The information herein should be interpreted for personal and professional salon use.

2. Composition

The complete ingredient list for the finished product(s) is available from the supplier upon request.

The product(s) does not contain ingredients considered hazardous as defined by OSHA, 29 CFR 1910.1200 and/or WHMIS under the HPA

3. Hazards Identification

This is a personal care of cosmetic product that is safe for consumers and other users under intended and reasonably foreseeable use. Additional information on toxicological endpoints is available from the supplier upon request.

Inhalation: Not expected to be irritating to the respiratory system. Limited inhalation exposure anticipated for this product.

Skin: Not expected to be irritating, sensitizing, photo-allergenic or photo-toxic when used as intended. If irritation occurs following intended use or prolonged contact it is expected to mild and transient.

Eye: Not expected to be irritating to the eye.

Ingestion: Product used as intended is not expected to cause gastrointestinal irritation. Accidental ingestion of undiluted product may cause mild gastrointestinal irritation with nausea, vomiting, and diarrhea.

4. First Aid Measures

Eye: Thorough rinsing for 15-20 minutes of the affected eye with water is recommended. If discomfort or irritation persists, consult a physician. If the eye is accidentally scratched with a mascara brush, consult a physician immediately.

Skin Problem: Discontinue use of product. Apply cold compresses to affected areas to relieve any discomfort. If discomfort persists, consult a physician.

Inhalation: If respiratory irritation occurs, remove individual to fresh air.

Ingestion: Accidental ingestion of product may necessitate medical attention. In case of accidental ingestion dilute with fluids (water or milk) and treat symptomatically. Do not induce vomiting.

Note: After first aid treatment, the caller should be advised that 1) a hospital emergency room or family physician should be consulted if anything unusual occurs or appears necessary in the judgment of the caller, 2) that the subsequent management of the accident should be dictated by any persistent symptoms and under the direction of the physician.

5. Fire Fighting Measures

Not expected to be flammable or combustible.

Packaging could be expected to contribute fumes to large fires.

6. Accidental Release Measures

Action to take for spills: Sweep up material and place in appropriate disposal container. Use sweeping compound or other cleaning aids to pick up residues. Wash down area thoroughly with water. Use appropriate personal protective equipment as necessary. If liquid is hot, attempt to confine spill and let the liquid solidify. Once solid, the product may be recovered as any other solid material.

Disposal Method: Secure container and take to an approved waste disposal site. Dispose of residues in accordance with applicable Local, State and Federal Regulations.

Decontamination Procedures: Not applicable.

7. Handling and Storage

Handling:

Technical Measures/Precautions:	No special technical protective measures required.
Safe handling advice:	None under normal processing.

Storage:

Technical Measures/storage conditions:	Store per labeled instructions.
Incompatible products:	No special restrictions on storage with other products.

8. Exposure Controls and Personal Protection

No specific exposure controls are anticipated.

9. Physical and Chemical Properties
