

MATERIAL SAFETY DATA SHEET.

FOUNDATION CONCEALER

OXYGENETIX INSTITUTE, INC.

MSDS Preparation Date: 11/03/08

---

1. CHEMICAL PRODUCT AND COMPANY IDENTIFICATION.

Manufacturer: Oxygenetix Institute, Inc.

Contact Phone Number 1 323 773 6441

6820 E Watcher Street,

Hours: M-F 8:30AM-4PM PST or PDST

City Of Commerce, CA 90040

**Cosmetic Foundation and Concealer with Moisturizing Ingredients, Oxygen Permeable.**

---

2. COMPOSITION.

Chemical Identification and CAS Registry Numbers:

A dispersion of Aloe Barbadensis Gel [85507-69-3], Isododecane [31807-55-3], Titanium Dioxide [13463 -67-7], Methicone[9004-73-3], Polyglyceryl -4 Isostearate [091824-88-3], Cetyl Dimethicone Copolyol [145686-34-6], Hexyl Laurate [034316-64-8], Cyclopentasiloxane [541-02-6], PEG/PPG-20/15 Dimethicone [64365-23-7], Saccharomyces Cerevisiae(Yeast) Extract [8013-01-2], PEG-8 [000000-13-2], Dioctyldodecyl Dodecanedioate [129423-55-8], Iron oxides [1309-37-1], Macadamia Integrifolia Nut Oil [128497-20-1], Aleurites Moluccans (Kukui) Nut Oil [8015-80-3], Glycerine[56-81-5], 0-Cymen-5-OL [3228-02-2], Silica [7631-86-9], Cyclomethicone [556-67-2] and Distearidimonium Hectorite [97280-96 -1], Propylene Carbonate [108-32-7], Maris Sal [7647-14-5], Dimethicone /Vinyl Dimethicone Crosspolymer [999999-93-4].

---

3. HAZARDS IDENTIFICATION

Appearance, smooth skin colored make-up foundation.

None. Material consists of ingredients regarded safe for cosmetics leave-on use.

---

#### 4. FIRST AID MEASURES.

None required upon exposure or accidental ingestion.

---

#### 5. FIRE FIGHTING MEASURES.

Non-flammable.

Fire fighting instructions: Can be exposed to water, contains water, do not allow contact with water sensitive materials.

---

#### 6. ACCIDENTAL SPILL MEASURES

Material is slippery on smooth floors and requires precautions. Clean by adding a good dish washing or commercial detergent and flushing to drain with water, or by wiping with paper or absorptive cloth and which can be discarded in landfill.

---

#### 7. HANDLING AND STORAGE.

8. Keep containers closed. Do not damage container or label, do not cover label with stickers. Wherever possible store at a normal room temperature of 60 to 75F. Do not expose to heat.

Do not freeze or expose for extended periods to temperatures of above 90F.

---

#### 8. EXPOSURE CONTROLS / PERSONAL PROTECTION.

None required. No eye or skin protection necessary.

No exposure guidelines exist for this material.

---

## 9. PHYSICAL AND CHEMICAL PROPERTIES.

Boiling Point: 210-212° F. 99-100° C.

Melting Point: 32 F. 0-5 ° C.

Vapor Pressure 1 atm.

Solubility in water: Emulsifies.

pH: 7

Specific Gravity: 0.95-1 g/cm<sup>3</sup>

Odor: None.

Appearance: Medium thick Lotion

### STABILITY AND REACTIVITY.

Stable at temperatures below 115° F or 46° C.

Incompatible with materials that react with water.

Hazardous decomposition products: None.

Hazardous polymerization: Will not occur.

---

## 11. TOXICOLOGICAL INFORMATION.

The product has no known toxic, mutagenic, teratologic or reproductive toxicity.

---

## 12. ECOLOGICAL INFORMATION.

Contents are fully biodegradable and no toxic materials are produced upon degradation.

---

## 13. DISPOSAL CONSIDERATIONS

The contents can be disposed of in landfill. The used container may be provided to a recycler for recycling.

---

#### 14. TRANSPORT INFORMATION.

No special transportation requirements are necessary, avoid exposure to excessive heat and cold, and damage to the containers.

UN # NA (non hazardous substance)

Product group NA (Non Hazardous substance)

Proper Shipping name NA (Non Hazardous substance)

---

#### 15. REGULATORY INFORMATION

OSHA: Non hazardous.

CERCLA: Sara Hazard Category: Non hazardous.

Canadian WHMIS: Non Hazardous.

Canadian Environmental Protection Act: Non Hazardous.

EINECS: Non hazardous.

State of California VOC Regulations: No Volatile organic compounds.

#### 16. OTHER INFORMATION:

This information relates to this specific material. It may not be valid if this material is mixed with other materials, or processed. Oxygenetix Institute provides this information as accurate and as complete as possible, but we cannot give an absolute guarantee as to the suitability and completeness of this information.
