

# MATERIAL SAFETY DATA SHEET

## SECTION I

**Distributor's Name:** Universal Companies, Inc.  
18260 Oak Park Drive  
Abingdon, VA 24210

**Emergency Contact Numbers:** Phone: 276-591-4109  
Fax: 276-466-1895

**Product Name (as shown on label):** Sedona Mud Blend 4 oz  
Sedona Mud Blend 1 Gallon

**Date:** 8/17/10

## SECTION II- HAZARDOUS INGREDIENTS / IDENTITY INFO TION

**Hazardous Component** (Specific Chemical Identity: Common Name (s))

	OSHA PEL	ACGIH TLV	OTHER LIMITS RECOMMENDED	% (OPTIONAL)
NONE				

## SECTION III – PHYSICAL & CHEMICAL CHARACTERISTICS

**Boiling Point:** N/A      **Specific Gravity:** N/A      **Vapor Pressure:** N/A

**pH level:** 6.5

**Solubility**  
**In water:** Partially soluble in water

**Reactivity in**  
**water:** Not reactive

**Appearance**  
**& odor:** reddish-brown viscous cream with  
citrus fragrance

**Melting Point:** N/A

## SECTION IV- FIRE AND EXPLOSION HAZARD DATA

**Flash Point:** N/A      **Method Used:** N/A      **Flammable limits LEL in air % by volume lower:** N/A      **UEL upper:** N/A

Follow applicable local, state, and federal regulations

---

---

**SELECTION VIII – SPECIAL PROTECTION INFORMATION/CONTROL MEASURES**

---

**Respiratory Protection:** N/A

**Ventilation:** **Local exhaust:**As required  
**Mechanical** (general) N/A

**Protective Glove:** For personal hygiene

**Eye Protection:** N/A

**Other Protective Clothing or Equipment:** N/A

**Work/Hygienic Practices:** Good Manufacturing Procedures

---

**Distributor's Name:** Universal Companies, Inc.  
18260 Oak Park Drive  
Abingdon, VA 24210

**Emergency Contact Numbers:** Phone: 276-591-4109  
Fax: 276-466-1895

**Product Name (as shown on label):** Body Mud Blend

**Date:** 10/21/08

---

## SECTION II- HAZARDOUS INGREDIENTS / IDENTITY INFO TION

---

**Hazardous Component** (Specific Chemical Identity: Common Name (s))

	OSHA PEL	ACGIH TLV	OTHER LIMITS RECOMMENDED	% (OPTIONAL)
NONE				

---

---

## SECTION III – PHYSICAL & CHEMICAL CHARACTERISTICS

---

**Boiling Point:** N/A      **Specific Gravity:** N/A      **Vapor Pressure:** N/A

**Solubility In water:** Soluble in water      **Reactivity in water:** Not reactive

**Appearance & odor:** greenish-brown opaque mud like cream with a citrus- floral odor      **Melting Point:** N/A

---

## SECTION IV- FIRE AND EXPLOSION HAZARD DATA

---

<b>Flash Point:</b> N/A	<b>Method Used:</b> N/A	<b>Flammable limits LEL in air % by volume lower:</b> N/A	<b>UEL upper:</b> N/A
-------------------------	-------------------------	---	-----------------------

**Auto-Ignition Temperature:** N/A      **Extinguisher Media:** N/A

**Special fire fighting procedures:** N/A

**Usual fire & explosion hazards:** N/A

---

### SECTION V- PHYSICAL ARDS - REACTIVITY DATA

---

**Stability:**                      **Unstable:**                      **Conditions to avoid:** Keeping open  
    **Stable:** yes                      Container and absorbing humidity.

**Incompatibility:** Metals                      **Hazardous decomposition or byproducts:** none

Hazardous polymerization: May occur \_\_\_\_\_  
    **Will not occur**              X

---

### SECTION VI - HEALTH HAZARDS DATA

---

**Results of Entry Duration:**

1) **Acute:** N/A                      2) **Chronic:** N/A

**Signs of exposure:** If swallowed in Excess amounts can cause discomfort.

**Medical conditions generally aggravated by exposure:** none expected

**Chemical listed as**                      **National Yes** \_\_\_\_\_ **I. A. R. C. Yes** \_\_\_\_\_ **OSHA Yes** \_\_\_\_\_  
**Carcinogen or**                      **toxicology No**       X **Monographs No**       X        **No**       X  
**Potential carcinogen**                      **program:**

**Emergency First Aid:** If swallowed drink enough water to relieve discomfort. If discomfort Persists call a physician.

**ROUTES OF ENTRY** 1) **Inhalation:** not a normal route of exposure  
2) **Eyes:** Rinse with water for several minutes  
3) **Skin:** N/A  
4) **Ingestion:** not normal route of exposure

---

### SECTION VII - SPECIAL PRECAUTIONS SPILL / LEAK PROCEDURES

---

**Precautions to be taken in Handling and Storage:** Store in cool dry area.

**Other precautions:** N/A

**Steps to be taken in case material is released or spilled:**

General cleaning

**Waste disposal methods:**

Follow applicable local, state, and federal regulations

---

---

**SELECTION VIII – SPECIAL PROTECTION INFORMATION/CONTROL MEASURES**

---

---

**Respiratory Protection:** N/A

**Ventilation:**

**Local exhaust:**As required

**Mechanical** (general) N/A

**Protective Glove:** For personal hygiene

**Eye Protection:** N/A

**Other Protective Clothing or Equipment:** N/A

**Work/Hygienic Practices:** Good Manufacturing Procedures

# BODY PRODUCTS

---

## SEA SALTS

DESCRIPTION:	100% pure sea salts from the Brittany marshes off the coast of France. The perfect balance of mineral and trace elements for the body.						
INDICATIONS:	For minor aches and pains, nervous stress, psoriatic skin, or skin in need of exfoliation.						
CONTRA-INDICATIONS:	For external use only. Open wounds and skin lesions.						
ACTIVE INGREDIENTS:	<table><tr><td>Magnesium Chloride:</td><td>Mineral salt: combats stress and fluid retention.</td></tr><tr><td>Potassium Chloride:</td><td>Mineral salt: promotes cellular balance.</td></tr><tr><td>Trace Elements:</td><td>Free radical scavengers.</td></tr></table>	Magnesium Chloride:	Mineral salt: combats stress and fluid retention.	Potassium Chloride:	Mineral salt: promotes cellular balance.	Trace Elements:	Free radical scavengers.
Magnesium Chloride:	Mineral salt: combats stress and fluid retention.						
Potassium Chloride:	Mineral salt: promotes cellular balance.						
Trace Elements:	Free radical scavengers.						
BENEFITS:	The chemical composition of Sea Salts is almost identical to the chemistry of our own blood plasma, therefore, the synergy of the sodium, potassium, and other elements make it a balanced salt.						
PROFESSIONAL USE:	The salts are perfect for exfoliating treatments and bath soaks. For a hydrating aromatherapy exfoliating treatment, combine salts with massage oil and essential oils. May be used in conjunction with the Vichy Shower. Use appropriate amount for a thorough exfoliation treatment.						
RETAIL USE:	Add a half a cup to a warm bath. Soak for 20 minutes and experience the invigorating properties of the sea.
