

## SAFETY DATA SHEET

Formulations, Inc – Skokie IL – 800-368-5426

| 1. Chemical Product and Company Identification |             |                         |                             |                             |
|--|-------------|-------------------------|-----------------------------|-----------------------------|
| Product Name:<br>Pure-ssage<br>Massage Lotion  | CAS Number: | Emergency<br>Contact #: | Date of Issue:<br>5/15/2015 | Last Revision:<br>5/15/2015 |

| 2. Hazards Identification   |
|---|
| This product contains no substance regulated under the OSHA Hazard Communication Standard CFR 1910.1200 |

| 3. Composition / Information on Components   |
|--|
| GHS-UIS classification: Not Classified<br>GHS-US :Labeling: No labeling required<br>Other hazards: No additional information available |

| 4. First Aid Measures   |
|---|
| Ingestion: Consult physician if large amounts are ingested<br>Inhalation:<br>Eyes: Flush eyes with water for 15 minutes.<br>Skin: |

| 5. Fire Fighting Measures  |  |
|--|--|
| Extinguishing Media:<br>Water spray, CO2, dry chemical                 | Special Procedures:<br>Water spray should be used to cool fire exposed containers and/or disperse unignited vapors |
| Special hazards arising from substance: Not dangerous reactions known. |  |

| 6. Accidental Release Measures   |
|--|
| Spill: Contain spilled material. Transfer to secure containers. Where necessary use absorbent media to pick up material. User should determine if spill should be reported according to regulations. |

| 7. Handling and Storage  |
|--|
| Precautions for safe handling: Store in a cool area away from hear, light, and sources of ignition |

|  |
|--|
|  |
|--|

### 8. Exposure Controls / Personal Protection

|                                  |                         |   |
|----------------------------------|-------------------------|---|
| Respiratory Protection:<br>N/A   | Ventilation:<br>N/A     | Protective Gloves:<br>N/A                               |
| Eye Protection:<br>None required | Other Equipment:<br>N/A | Work / Hygienic Practices:<br>Normal hygienic practices |

### 9. Physical and Chemical Properties

|                                     |  |                                       |                                  |
|-------------------------------------|--|---------------------------------------|----------------------------------|
| Boiling Point:<br>No data available | Vapor Pressure:<br>Not data available  | Vapor Density:<br>Not data available  | Solubility in Water:<br>Complete |
| Specific Gravity:<br>~1             | Melting Point, F:<br>No data available | Evaporation Rate:<br>Similar to water | pH 7                             |
| Appearance:<br>White cream          | Odor:<br>Neutral scent                 |                                       |                                  |

### 10. Stability and Reactivity

|                      |                         |                                  |
|----------------------|-------------------------|----------------------------------|
| Stability:<br>Stable | Incompatibility:<br>N/A | Hazardous<br>Polymerization: N/A |
|----------------------|-------------------------|----------------------------------|

### 11. Toxicological Information

#### Acute toxicity: Not classified

Skin corrosion/irritation: Based on the available data, the classification criteria are not met.

Eye damage/eye irritation: Based on the available data, the classification criteria are not met.

Sensitization of skin or respirations: Based on the available data, the classification criteria are not met.

Mutagenicity of germ cells: Based on the available data, the classification criteria are not met.

Carcinogenicity: Based on the available data, the classification criteria are not met.

Reproductive toxicity: Based on the available data, the classification criteria are not met.

Specific target organ toxicity

(single exposure): Based on the available data, the classification criteria are not met.

Specific target organ toxicity

(repeated exposure): Based on the available data, the classification criteria are not met.

Symptoms after ingestion: Based on the available data, the classification criteria are not met.

| <b>12. Ecological Information</b>            |                                     |                    |
|--|-------------------------------------|--------------------|
| Ecotoxicological<br>Completely biodegradable | Bioaccumulation:<br>Not Established | Other Information: |

| <b>13. Disposal Consideration</b>   |
|---|
| Waste Disposal: Dispose of in accordance with all federal, state and local regulations. |
| Ecology – Waste materials: Avoid release to the environment.                            |

| <b>14. Transport Information</b>   |
|--|
| <p>In accordance with ADR / RID / ADNR / IMDG / ICAO / IATA</p> <p>14.1. UN number<br/>Not applicable</p> <p>UN proper shipping name<br/>Proper shipping name: NOT REGULATED</p> <p>Additional information<br/>No additional information available</p> |

| <b>15. Regulatory Information</b>   |
|---|
| <p>US Federal Regulations<br/>Contents of this MSDS comply with the OSHA Hazard Communication Standard 29CFR 1910.1200.<br/>(HazCom 2012)</p> <p>TSCA Status: All chemical substances found in this product comply with the Toxic Substances Control Act inventory reporting requirements.</p> <p>US State Regulations<br/>California:<br/>This product contains No chemicals listed by the State of California under Proposition 65.</p> |

| <b>16. Other Information</b> |                                |
|------------------------------|--------------------------------|
| HMIS Health:<br>0            | HMIS Flammability:<br>0        |
| HMI Reactivity:<br>0         | HMIS Personal<br>Protection: X |
