

STAR NAIL INTERNATIONAL, INC. SAFETY DATA SHEET

PRODUCT NAME: Cuccio Naturale Luxury Spa Hydrating Massage Oil White Limefta & Aloe Vera

Date: 01/19/2021

This form is regarded to be in compliance with 29 CFR Part 1910.1200

SECTION 1 : IDENTIFICATION

PRODUCT NAME: Cuccio Naturale Luxury Spa Hydrating Massage Oil White Limefta & Aloe Vera

Product Use: Massage Oil

Manufacturer's Name : Star Nail International, Inc. Chemical Family :
Address : 29120 Avenue Paine Proprietary Mix
City, State, Zip : Valencia, CA 91355 CAS# N/A

Preparation Date: 01/19/2021

24 HR. EMERGENCY TELEPHONE: CHEMTEL 1-813-248-0573

SECTION 2: Hazardous Identification

Appearance:	Liquid
GHS Signal Word:	None
GHS Hazard Statements:	This product is not considered Hazardous.
GHS Precautionary Statements:	P210 Keep away from heat/sparks/open flames/hot surfaces. No smoking. P264 Wash hands thoroughly after handling. P270 Do not eat, drink or smoke when using this product. P281 Use personal protective equipment as required. P235 + P410 Keep cool. Protect from sunlight.
GHS Pictograms:	None.

GHS Classifications

Physical Hazards: None identified.

Health Hazards: None identified.

Environmental Hazards: None identified.

GHS Hazard Scale Disclaimer: 4 = Least severe, 3 = Moderate, 2 = More Severe, 1 = Most Severe

The above information may be based in part on information provided by component suppliers and is believed to be correct as of the date hereof. However, no warranty of merchantability, fitness for any use, or any other warranty is express or is to be implied regarding the accuracy of these data, the results to be obtained from the use of the material, or the hazards connected with such use. Since the information contained herein may be applied under conditions beyond our control and with which we may be unfamiliar, and since data made available subsequent to the date hereof may suggest modification of the information, we assume no responsibility for the result of its use. This information and material furnished on the condition that the person receiving it shall make his/her own determination as to the suitability of the material for his/her particular purpose and on the condition that he/she assume the risk of his/her use thereof.

Yellow #11	83-08-9	N/A	*
Violet #2	81-48-1	N/A	*

*Composition is proprietary and considered a trade secret.

SECTION 4 : First Aid Measures

Eyes:	Remove contacts and wash with plenty of water. Seek medical attention if symptoms persist.
Inhalation:	Remove to ventilated area and seek medical attention if symptoms persist.
Skin:	Wash affected area with plenty of soap and water. Seek medical attention if irritation persists.
Ingestion:	Rinse mouth out with water. Do not drink milk or alcohol. Seek medical attention if symptoms persist.

SECTION 5: Fire Fighting Measures

The above information may be based in part on information provided by component suppliers and is believed to be correct as of the date hereof. However, no warranty of merchantability, fitness for any use, or any other warranty is express or is to be implied regarding the accuracy of these data, the results to be obtained from the use of the material, or the hazards connected with such use. Since the information contained herein may be applied under conditions beyond our control and with which we may be unfamiliar, and since data made available subsequent to the date hereof may suggest modification of the information, we assume no responsibility for the result of its use. This information and material furnished on the condition that the person receiving it shall make his/her own determination as to the suitability of the material for his/her particular purpose and on the condition that he/she assume the risk of his/her use thereof.

Suitable (and unsuitable) extinguishing media:	Carbon Dioxide, powder, water spray, sand. Do not use water jet.
Special protective equipment & precautions for firefighters:	Avoid inhalation of fumes.
Specific hazards arising from the chemical:	None known.

 SECTION 6 : Accidental Release Measures

Personal precautions, protective equipment & emergency procedures:	Wear suitable protective clothing. Use care when walking spill areas.
Environmental precautions:	Use appropriate containment to prevent environmental contamination.
Methods and material for containment and cleanup:	Use absorbent material. Do not discharge into drains. Discharge waste at an authorized waste collection point.

 SECTION 7 : Handling and Storage

Precautions for safe handling:	Wear suitable personal protective equipment. Do not eat/drink or smoke in the work place. Always practice good hygiene.
Conditions for safe storage; including any incompatibilities:	Keep container tightly closed and in a cool, well ventilated area, placed away from direct light and heat.

 SECTION 8 : Exposure Controls/ Personal Protection

Exposure Limits:	None identified.
Engineering Controls:	Ensure proper ventilation and no open heating elements.
Personal Protection Measures	
Face/Eyes:	Use of face shield / goggles is not required, but recommended.
Respiratory:	None necessary under normal circumstances.
Body:	Use of chemical resistant gloves and clothing is recommended.
Other:	None.

The above information may be based in part on information provided by component suppliers and is believed to be correct as of the date hereof. However, no warranty of merchantability, fitness for any use, or any other warranty is express or is to be implied regarding the accuracy of these data, the results to be obtained from the use of the material, or the hazards connected with such use. Since the information contained herein may be applied under conditions beyond our control and with which we may be unfamiliar, and since data made available subsequent to the date hereof may suggest modification of the information, we assume no responsibility for the result of its use. This information and material furnished on the condition that the person receiving it shall make his/her own determination as to the suitability of the material for his/her particular purpose and on the condition that he/she assume the risk of his/her use thereof.

SECTION 9 : Physical and Chemical Properties

Appearance, Physical State:	Liquid	Flammability:	Not available
Color:	Light to dark yellow	Explosive Limits:	Not available
Odor:	Milk and Honey	Vapor Pressure:	Not available
Odor Threshold:	Not available	Vapor Density:	Not available
pH:	Not available	Relative Density:	0.970 - 1.011 @ 25C
Melting Point (°C):	Not available	Solubility:	Insoluble in water
Boiling Point (°C):	Not available	Partition Coefficient:	Not available
Flash Point (°C):	> 250 C	Auto-ignition Point (°C):	Not available
Evaporation Rate:	Not available	Decomposition (°C):	Not available
		Viscosity:	Not available

SECTION 10 : Stability and Reactivity

Reactivity:	Avoid strong alkalis, acids, and other reagents.
Chemical Stability:	Chemically stable under normal conditions and use.
Hazardous Polymerization:	N/A
Conditions to Avoid:	Avoid excessive heat and sunlight.
Incompatible Materials:	Avoid strong acids, alkalis, and oxidizing agents.
Hazardous Decomposition Products:	N/A
Special Remarks:	None.

The above information may be based in part on information provided by component suppliers and is believed to be correct as of the date hereof. However, no warranty of merchantability, fitness for any use, or any other warranty is express or is to be implied regarding the accuracy of these data, the results to be obtained from the use of the material, or the hazards connected with such use. Since the information contained herein may be applied under conditions beyond our control and with which we may be unfamiliar, and since data made available subsequent to the date hereof may suggest modification of the information, we assume no responsibility for the result of its use. This information and material furnished on the condition that the person receiving it shall make his/her own determination as to the suitability of the material for his/her particular purpose and on the condition that he/she assume the risk of his/her use thereof.

SECTION 11: Toxicological Information

Route of Exposure?	Immediate Symptoms
Eyes:	Yes None identified.
Skin:	Yes None identified.
Respiratory:	No
Ingestions:	Yes None identified.
Chronic Symptoms:	None identified.
Acute Toxicity (LD50):	Lack of data.
Carcinogens:	None identified.
Reproductive Toxicity:	None identified.

SECTION 12: Ecological Information**Ecotoxicity**

Aquatic:	None identified.
Terrestrial:	None identified.
Persists or Biodegradable:	Lack of data.
Bioaccumulative Potential:	Lack of data.
Mobility in Soil:	Lack of data.
Other Adverse Effects:	None identified.

The above information may be based in part on information provided by component suppliers and is believed to be correct as of the date hereof. However, no warranty of merchantability, fitness for any use, or any other warranty is express or is to be implied regarding the accuracy of these data, the results to be obtained from the use of the material, or the hazards connected with such use. Since the information contained herein may be applied under conditions beyond our control and with which we may be unfamiliar, and since data made available subsequent to the date hereof may suggest modification of the information, we assume no responsibility for the result of its use. This information and material furnished on the condition that the person receiving it shall make his/her own determination as to the suitability of the material for his/her particular purpose and on the condition that he/she assume the risk of his/her use thereof.

SECTION 13: Disposal Considerations

Waste Residues: Dispose in accordance with local, state, and federal regulations. DO NOT discharge into drains.

Product Containers: Use in accordance with local, state, and federal regulations.

SECTION 14: Transport Information

UN No. / UN Shipping Name: Not available.

DOT (Dept. of Transportation, USA): Not regulated.

TDG (Transportation of Dangerous Goods, Canada): Not regulated.

IMDG (International Maritime Dangerous Goods): Not regulated.

IATA (International Air Transport Associations): Not regulated.

ICAO (International Civil Aviation Organization): Not regulated.

SECTION 15: Regulatory Information

The above information may be based in part on information provided by component suppliers and is believed to be correct as of the date hereof. However, no warranty of merchantability, fitness for any use, or any other warranty is express or is to be implied regarding the accuracy of these data, the results to be obtained from the use of the material, or the hazards connected with such use. Since the information contained herein may be applied under conditions beyond our control and with which we may be unfamiliar, and since data made available subsequent to the date hereof may suggest modification of the information, we assume no responsibility for the result of its use. This information and material furnished on the condition that the person receiving it shall make his/her own determination as to the suitability of the material for his/her particular purpose and on the condition that he/she assume the risk of his/her use thereof.
