3. Composition/information on ingredients / INCI Declaration of ingredients

See product declaration.

4. First aid measures

General information: Remove contaminated clothes. By continuous complaints consult a physician.
If in eyes: Rinse cautiously with water for several minutes. Get medical advice/attention if you feel unwell.

If on skin: Rinse cautiously with water for several minutes.

If swallowed: Rinse out mouth and then drink plenty of water. Do not induce vomiting. Never give anything by mouth to an unconscious person. As a precaution consult a physician.

5. Firefighting measures

Suitable extinguishing media: foam, powder, CO₂

In case of fire: Cool storage devices with water.

In case of fire: Remove containers from danger area. Evacuate persons from danger area.

6. Measures in case of accidents and leakages

Individual Precautions:

Provide adequate ventilation.

Environmental protection measures: Do not empty into drains.

Cleaning procedures: Eliminate with absorbent material and dispose properly.

7. Handling and storage

Keep container tightly closed. Recommended storage temperature: 15 – 25 °C

8. Physical properties

Odor	typical
Color	white
Flow behavior	liquid
Boiling point:	100°C
Flash point:	> 100°C

9. Stability and Reactivity

Thermal decomposition: No decomposition with proper use and storage.

Dangerous reactions: No dangerous reactions with proper use and storage.

10. Instructions for Disposal
