

WORLD CLUB SUPPLY CORP.
SAFETY DATA SHEET- Finished Product

SECTION 1: PRODUCT AND COMPANY IDENTIFICATION

- **Finished Product Name:** PREMIUM CLUB SHAMPOO – Green Tea / Lemongrass #732
- **Company Identification:**
World Club Supply Corp.
1402 N. Batavia St.
Orange, CA 92867
(714) 289 - 8550
- **Recommended Use:** Personal Care Product
- **In case of medical emergencies, please contact your local poison control center.**

SECTION 2: HAZARD IDENTIFICATION

- This is a personal care or cosmetic product that is safe for consumers and other users under intended and reasonably foreseeable use. Additional information on toxicological endpoint is available from the supplier upon request.

POTENTIAL HEALTH EFFECTS:

- **Eye**
Contact may cause mild irritation. Some redness and/or stinging may occur.
- **Skin**
Not expected to be irritating, sensitizing, photo allergenic, or phototoxic when used as intended. If irritation occurs following intended use or prolonged contact it is expected to be mild and transient.
- **Inhalation**
Not expected to be irritating to the respiratory system. Not volatile therefore limited inhalation exposure anticipated.
- **Ingestion**
Product used as intended is not expected to cause gastrointestinal irritation. Accidental indigestion of undiluted product may cause mild gastrointestinal irritation with nausea, vomiting, and diarrhea.

SECTION 3: COMPOSITION AND INGREDIENTS

- The complete ingredient list for the finished product(s) is as follows:

Purified Water (aqua), Sodium Laureth Sulfate, Cocamidopropyl Betain, Alfa Olefin Sulfonate, Polyquaternium-7, Sodium Chloride, Fragrance, Citric Acid, FD&C Red, Yellow and Blue, DMDM Hydantoin, Disodium EDTA.

SECTION 4: FIRST AID MEASURES

- **Eye**

Thorough rinsing for 15-20 minutes of the affected eye with water is recommended. If discomfort or irritation persists, contact a physician.

- **Skin Problem**

Discontinue use of product. Apply cold compress to affected areas to relieve any discomfort. If discomfort persists, contact a physician.

- **Inhalation**

If respiratory irritation occurs, remove individual to fresh air.

- **Ingestion**

Accidental ingestion of product may necessitate medical attention. In case of accidental ingestion, dilute with fluids (water or milk) and treat symptomatically. Do not induce vomiting. NOTE: After first aid treatment, the caller should be advised that 1) a hospital emergency room or family physician should be consulted if anything unusual occurs or appears necessary in the judgment of the caller, and 2) that the subsequent management of the accident should be dictated by any persistent symptoms and under the direction of the physician.

SECTION 5: FIRE FIGHTING MEASURES

- **Flash Point:** Not applicable.

- **Extinguishing Media:** Dry chemical, water fog, CO₂, foam, or sand/earth.

- **Explosion Hazard:** None

- **Fire Fighting Instructions:** Contact emergency personnel. Use self-contained breathing apparatus and full protective gear, if large quantities of product are involved. Hazardous decomposition products may be released. Thermal degradation may produce oxides of carbon and/or nitrogen; hydrocarbons and/or derivatives. Thermal degradation may also produce oxides of silicone.

SECTION 6: ACCIDENTAL RELEASE MEASURES

- **Procedures for Spill/Leak Clean Up:**

For Household Settings: Absorb liquid and scrub the area with water. Dilute with water.

For Non-Household Settings: Use safety glasses or safety goggles if splash hazards exist; use gloves and other protective clothing (apron, boots) to prevent skin contact.

SECTION 7: HANDLING AND STORAGE

- **Precautions for Safe Handling:**

For Household Settings: No applicable information has been found.

For Non-Household Settings: No unusual handling or storage requirements. Storage in large quantities (as in warehouse) should be in a well-ventilated, cool area.

- **Conditions for Safe Storage:**

For Household Settings: No applicable information has been found.

For Non-Household Settings: No unusual handling or storage requirements. Storage in large quantities (as in warehouse) should be in a well-ventilated, cool area.

SECTION 8: EXPOSURE CONTROLS AND PERSONAL PROTECTION

For Household Settings:

This is a personal care or cosmetic product that is safe for consumers and other users under normal and reasonably foreseen use.

For Non-Household Settings:

Use safety glasses or safety goggles if splash hazards exist; use gloves and other protective clothing (apron, boots, etc.) to prevent skin contact. Always follow good hygienic work practices. Avoid prolonged contact with skin and clothing.

SECTION 12: ECOLOGICAL INFORMATION

The product ingredients are expected to be safe for the environment at concentrations predicted under normal use and accidental spill scenarios. Packaging components are compatible with the conventional solid waste management practices. Additional information is available from the supplier upon request.

SECTION 13: DISPOSABLE CONSIDERATIONS

Disposal should be in accordance with Federal, State/Provincial and Local Regulations.

For Household Settings: The following instructions are for consumer use only. Do not discharge product into natural waters without pre-treatment or adequate dilution.

For Non-Household Settings: Products covered by this SDS, in their original form, when disposed as waste, are considered non-hazardous waste according to Federal RCRA regulations (40 CFR 261). Disposal should be in accordance with local, state, and federal regulations.

California Waste Code: 331

SECTION 14: TRANSPORT INFORMATION

Finished packaged product transported by ground: Non-Hazardous
Finished packaged product transported by vessel: Non-Hazardous
Finished packaged product transported by air: Non-Hazardous

SECTION 15: ADDITIONAL REGULATORY INFORMATION

US States

CA Prop 65:

This product is not subject to warning labeling under California Proposition 65.

SECTION 16: OTHER INFORMATION

This SDS is a brief summary of our knowledge regarding the health and safety hazard information of this product. This information is offered in good faith that each user must review this SDS in the context of how the product will be handled and used properly. If clarification or further information is needed, the user should contact this company so we can obtain additional information from our suppliers.
