To Whom It May Concern:

We have received your request for Material Safety Data Sheet(s) (MSDSs) for the product(s) that you purchase from Tyco Healthcare/Kendall (8884430100, 8884430200, 8884430300, and 8884433200). Please be advised that the product(s) in question (Vaseline Pure Ultra White Petroleum Jelly) is/are not required to have MSDS(s) for the following reasons. If a product does not contain hazardous substances, or the product meets the "article" definition as detailed in the *current* Occupational, Health, and Safety Administration (OSHA) Hazard Communication regulation (29 CFR 1910.1200), **it is not required to have an MSDS.**

In addition, to be considered a hazardous substance (and therefore require an MSDS), a product must have shown statistically significant evidence, based on at least one study conducted in accordance with established scientific principles, that acute or chronic health effects may occur in employees exposed to the substance, and/or present a significant physical hazard.

If you should have any further questions on the above product(s), please do not hesitate to contact me at (508) 261-8084.

Sincerely,

tyco Healthcare

Jerry Porter
Health, Safety & Environmental Manager
