Safety Data Sheet

Section 1. Product and company identification

Company	Make Up Designory 25311 Avenue Stanford Valencia, CA 91355 (661) 775-3805
Product Name	Eyebrow Cream
Shade Name(s)	Ash, Bark, Cinnamon, Straw
Book Number(s)	NLC504-139, NLC504-140, NLC504-141, NLC504-142
Poison Control Info	National Poison Control Center # : (412)-681-6669

Section 2. Hazards identification

This is a personal care and cosmetic product that is safe for consumer and other users under intended and reasonably foreseeable use. Additional information on toxicological endpoints is available upon request.

Routes of entry: Eye contact, inhalation, ingestion

Inhalation: This product is not intended to be inhaled as it may cause respiratory irritation. Symptoms include: coughing, wheezing and shortness of breath when inhaled.

Ingestion: This product is not intended to be ingested

Skin: May cause skin irritation for some with sensitive skin. Discontinue use of product and consult a physician if itching and redness results after contact.

Eyes: May cause eye irritation for some with sensitive eyes. Symptoms include itching and redness after contact. Please discontinue use and consult a physician for further treatment.

Acute Toxicity
Category 5
LD ₅₀ 2000 < 5000 mg/kg
No Symbol
Warning
May be harmful if swallowed

KEEP OUT OF THE REACH OF CHILDREN

Section 3. Composition/Information on ingredients

Hazardous components

This product does not contain any known hazardous material under the federal OSHA Hazard Communication Standard 29 CFR 1910.1200

Composition of product mixture: Trade Secret

Section 4. First-aid measures

Inhalation:	If respiratory irritation occurs, remove individual to fresh air.
Skin contact:	If product causes skin irritation, discontinue use. Seek medical attention if discomfort persists.
Eye contact:	If product causes eye irritation, thoroughly rinse affected eye area with water for 15-20 minutes. If discomfort or irritation persists, seek medical attention.
Ingestion:	Accidental ingestion of product may require medical attention. In case of accidental ingestion dilute with fluids and treat symptomatically. Do not induce vomiting. Get medical attention immediately if serious symptoms occur.

Section 5. Fire-fighting measures

Extinguishing media:	Use appropriate fire extinguisher. Use Co2, Dry Powder or Foam type Extinguishers, spraying extinguishing media to base of flames.
Not suitable:	For oil base products do not use water to extinguish fire.
Special exposure hazards for non-household settings:	Promptly isolate the scene by removing all persons from the vicinity of the incident if there is a larger fire. No action should be taken involving any personal risk or without suitable training.
Special protective equipment for fire-fighters:	Fire- Fighters should wear appropriate protective equipment and self contained breathing apparatus (SCBA) with a full face-piece operated in positive pressure mode.

Section 6. Accidental release measures

For household settings:	Absorb or Vacuum spill and scrub the area with detergent.
For non-household settings personal precautions:	Do not take any action which causes personal risk without suitable training. Prevent the entry of unnecessary and unprotected personnel. Do not touch spilled material without appropriate protective gear.

Emergency produces:	Evacuate the premises if the spill is airborne or has a risk of combusting.
Methods for containment:	Use a damp cloth and place on or around spill to stop further spread.
Clean up procedures:	If spill is non-toxic to health and is easily contained, remove spill with Vacuum or sweep up product and dispose according to local regulations. Do not allow product to enter sewers or drainage systems.
Environmental precautions:	Avoid dispersal of spill material, runoff, and contact with soil, waterways, drains and sewers. Inform the relevant authorities if the product has caused environmental pollution (sewers, waterways, oil or air).

Section 7. Handling and storage

Handling:	Handle in a sanitary manner. Avoid contact with any unintended areas.
Storage:	Do not expose product to direct sunlight for a prolong period of time. Avoid dramatic pressure and humidity changes since it may affect the product structure and function. Product must be stored in room temperature conditions. Never store the product passed its expiration date. Make-up Designory, Inc is not liable for any product which has not been stored properly. Keep product out of reach of children.

Section 8. Exposure controls/personal protection

For non household settings Engineering measures:	Only use with adequate light and ventilation. If user operation generates dust, do not use product in confined areas. Keep all airborne contaminants below any recommended OSHA Permissible Exposure Limits (PELs), American Conference of Governmental Industrial Hygienists (ACGIH) Threshold Limit Values (TLVs), and any other exposure limit used or recommended by the state or country.
Hygiene measures:	Wash hands before and after handling the product.
In household settings:	Read the product label and use as described. Do not deviate from product label instruction. If product shows signs of contamination or separation, discontinue use of the product.

Section 9. Physical and chemical properties

Appearance:	Colored Solid
Physical state:	Solid
Color:	Various
Odor:	Characteristic
Odor Threshold:	Unknown
pH:	N/A
Melting Point:	Unknown
Initial Boiling Point:	Unknown
Boiling Range:	Unknown
Flash Point:	Unknown
Evaporation rate:	Unknown
Flammability:	Non-Flammable
Upper/Lower Flammability Limit:	Unknown
Vapor Pressure:	Unknown
Vapor Density:	Unknown
Relative Density:	Unknown
Solubility:	Insoluble in Water
Partition coefficient:	Unknown
Auto-ignition Temperature:	Unknown
Decomposition Temperature:	Unknown
Viscosity:	Unknown
Drop test:	N/A

Section 10. Stability and reactivity

Stability:	This product is deemed stable under normal storage conditions.
Reactivity:	Unknown.
Conditions to avoid:	Extreme change in environmental conditions and introduction of exterior contaminants.
Possibility of hazardous reactions:	Burning produces carbon monoxide and/or carbon dioxide.
Incompatible materials:	Unknown.
Hazardous decomposition products:	This product is deemed stable under normal storage conditions.

Section 11. Toxicological information

This is a personal care or cosmetic product that is safe for consumers under intended and reasonably foreseeable use. The product does not contain any known toxins and has not undergone toxicological testing.

Oral

This product has not been tested.

Inhalation

This product has not been tested.

Dermal

This product has not been tested.

Irritation/corrosion

This product has not been tested.

Skin

This product has not been tested.

Eye

This product has not been tested.

Aspiration Hazard

This product has not been tested.

Carcinogenicity

Information on: Titanium Dioxide

IARC (International Agency for Research on Cancer) has classified this substance as group 2B (The agent is possibly carcinogenic to humans). In long-term studies in rats in which the substance was given by inhalation, a carcinogenic effect was observed. Tumors were only observed in rats after chronic inhalation exposure to high concentrations which caused sustained lung inflammation. In long-term studies in rats and mice in which the substance was given by feed, a carcinogenic effect was not observed. Dermal exposure is not expected to be carcinogenic.

Section 12. Ecological information

Environmental effects:

No known significant effects or critical hazards.

Section 13. Disposal consideration

For household settings:

Use original container for disposal.

Disposal guidelines:

Do not dispose in sewage, water pathways and drains. Dispose in accordance with regional, national and local laws and regulations.

For non-household settings:

Call appropriate waste management company for disposal guidance.

Section 14. Transport information

This material is not hazardous and is safe for transportation by land, sea and air. Always comply with international, national and local laws during transportation.

Section 15. Regulatory information

Product is compliant with all United State's cosmetics, personal care and drug regulations. Product also complies with global standards set by international regulation bodies.

Section 16. Other information

Notice to readers: The statements contained herein are based upon technical data that Make-up Designory, Inc believes to be reliable, are offered for information purposes only and as a guide to the appropriate precautionary and emergency handling of the product. User should consider these data only as a supplement to other information gathered by them and must make independent determinations of suitability and completeness of information from all sources to assure proper use, storage and disposal of these products and the safety and health of employees and customer and the protection of environment.

Make-up Designory, INC makes no representation or warranty of any kind, express or implied, including merchantability or fitness for a particular use, with respect to the information herein or the product to which the information refers.

Material Safety Data Sheet

Page : 1 of 3
Version DN4 / 3 : 16 Sections
Printed : 09 August 2011
Revised : 09 August 2011

SECTION 1 - PRODUCT INFORMATION

Manufacturer: **Schwan-STABILO Cosmetics
GmbH & Co. KG
and its affiliated companies
Schwanweg 1 / D-90562 Heroldsberg**

Information: (++49) 911 567 2228
(Mon - Fri / 8:00 a.m. - 4:00 p.m.)

Trade Name: **DN4**

Domestic Agent (for the U.S.A. only)
Telephone No.: 732-777-6800

Product Type: **Eyeliner, Lipliner, Eyebrow**

SECTION 2 - COMPOSITION / INGREDIENTS

Composition: Waxes, Hydrogenated oils, Natural oils, Fatty acid esters.

May contain: Preservatives, Antioxidants, Sunscreens, Fillers (e.g. talc, silica, alumina, kaolin, clay), Dyes (inorganic and organic pigments, lacquers)

Free from water and volatile organic compounds.

Cosmetics and unlisted ingredients are not considered hazardous or reportable by federal, state or any other regulations.

SECTION 3 - HAZARDS IDENTIFICATION

Health Hazard

Data: This skin cosmetic is not toxic or hazardous under conditions of normal use.
Neither a skin irritant nor eye irritant under conditions of normal use.

Carcinogenicity: Not carcinogenic according to the latest state of knowledge.

SECTION 4 - FIRST AID MEASURES

If irritation should occur, product can be washed off from skin and hair with soap and water.

SECTION 5 - FIRE FIGHTING MEASURES

Flash Point of finished pencil : Not applicable
Unusual fire and explosion hazards : Not applicable
Special fire fighting procedures : Not applicable

In case of fire, carbon monoxide (CO), carbon dioxide (CO₂), and with some products nitric oxides (NO_x), will be set free as thermal decomposition products.

SECTION 6 - ACCIDENTAL RELEASE MEASURES

Can be washed off from skin and hair with soap and water.
May stain fabrics permanently.

SECTION 7 - HANDLING AND STORAGE

Store in a cool and dry place, away from heat and flame.
Store away from reach of children.
When stored and handled properly, no dangerous reactions can be expected.

SECTION 8 - EXPOSURE CONTROLS / PERSONAL PROTECTION

Exposure Controls	:	Not applicable
Personal Protection	:	Respiratory - Not required
		Eyes - Not required when used as intended
		Skin - not required when used as intended
Protective Equipment or Clothing	:	Not required. May stain fabrics permanently.
Work / Hygienic Practise	:	Routine personal hygiene.

SECTION 9 - PHYSICAL AND CHEMICAL PROPERTIES

Appearance

Form	:	Wax-like solid composition
Physical State	:	Solid at room temperature. Softens when heated.
Odour	:	Characteristic (wax-like).
Colour	:	As per shade.

Data relevant to Safety

Boiling Point / Boiling Range	:	Not applicable
Flash Point	:	Not applicable
Ignition Temperature	:	Not applicable
Vapour Pressure	:	Not applicable
Melting Range	:	40-70 degrees Centigrade
Bulk Density	:	approx. 1,0 g/cm ³
Volatility %	:	no volatile components
Solubility in Water	:	insoluble
Solubility in other solvents	:	soluble in polar organic solvents
pH-value	:	Not applicable

SECTION 10 - STABILITY AND REACTIVITY

Stability	:	Stable
Hazardous Reactions	:	None known
Conditions to avoid	:	None known
Incompatibility (avoid)	:	None known
Hazardous Decomposition Products	:	Thermal decomposition may produce CO, CO ₂ and with some products NO _x .

SECTION 11 - TOXICOLOGICAL INFORMATION

Acute toxic effects not known to occur by inhalation, ingestion, or contact during anticipated handling and usage.
No long term chronic effects could be observed.

SECTION 12 - ECOLOGICAL INFORMATION

Not expected to cause adverse environmental effects.
The majority of raw materials is biodegradable. The dyes, however, are very durable on account of their intended use, and thus there is no biodegradability under normal conditions in sewage works or in surface waters. They can, however, be sufficiently absorbed in the activated sludge and eliminated from the water.

Printed	:	09 August 2011
Revised	:	09 August 2011

SECTION 13 - DISPOSAL GUIDELINES

Finished products may be added to the household waste in small quantities. Larger quantities are to be disposed of properly under compliance with local, state, federal or international authority regulations, e.g. at a suitable waste disposal or incinerator.

SECTION 14 - TRANSPORT INFORMATION

The finished products are not classified as dangerous goods with respect to the transport regulations.

SECTION 15 - REGULATORY INFORMATION

The finished products are not regulated by state, federal or international regulations, directives etc, with respect to composition or transportation - but there are special national and international regulations on cosmetics.

SECTION 16 - OTHER RELEVANT INFORMATION

No available data unless specifically indicated below.

Vertical lines in the right-hand margin of this Material Safety Data Sheet indicate changes from previous versions.

NOTICE:

The information herein is based on data considered to be accurate as of the date of preparation of this Material Safety Data Sheet. However, no warranty of representation, expressed or implied is made as to the accuracy or completeness of the foregoing data and safety information. The user assumes all liability for any damage or injury resulting from the abnormal use from any failure to adhere to recommended practises or from any hazard inherent in the nature of the product.
