

# CHEMICAL SAFETY DATA SHEET

Deodorant Cream

## 1. Product and company identification

Commercial description: Deodorant Cream

Supplier : Guangzhou Danting Bath&Body Care Industry Co., Ltd  
1<sup>st</sup> Building, No.43, Lixin Ninth Road, Xintang Town, Zengcheng  
City, Guangzhou, China.

Tel. : +86-20-82686176

Telefax : +86-20-82686176

Emergency telephone Number : +86-13724893385

## 2. Composition / information on ingredients

| Chemical Ingredient                                               | CAS NO.    | Content/% |
|-------------------------------------------------------------------|------------|-----------|
| TAPIOCA STARCH                                                    | 9005-25-8  | 30        |
| CAPRYLIC/CAPRIC TRIGLYCERIDE                                      | 65381-09-1 | 25        |
| HELIANTHUS ANNUUS (SUNFLOWER) SEED OIL                            | 8001-21-6  | 10        |
| BUTYROSPERMUM PARKII (SHEA BUTTER)                                | 68920-03-6 | 10        |
| EUPHORBIA CERIFERA (CANDELILLA) WAX                               | 8006-44-8  | 5         |
| COPERNICIA CERIFERA (CARNAUBA) WAX                                | 8015-86-9  | 5         |
| COCOS NUCIFERA (COCONUT) OIL                                      | 8001-31-8  | 5         |
| ORGANIC HELIANTHUS ANNUUS (SUNFLOWER)<br>SEED OIL UNSAPONIFIABLES | N/A        | 4         |
| ORGANIC ARGANIA SPINOSA KERNEL OIL                                | N/A        | 3         |
| FRAGRANCE                                                         | N/A        | 3         |
| Total                                                             |            | 100       |

## 3. Hazards identification

General Hazards: It is safe for consumers under expected and reasonably foreseeable use.

## 4. First-aid measures

Eye contact: Rinse thoroughly with plenty of water, also under the eyelids. If irritation persists, call a physician.

Skin contact: None anticipated to be needed. Product is a personal care product intended for use on skin. In the unlikely event of an allergic skin reaction, wash with soap and water. If symptoms persist call a physician.

Inhalation: None under normal use. Not a foreseeable route of exposure.

Ingestion: None anticipated to be needed. Not a foreseeable route of exposure. Should such an event occur, rinse mouth with water and afterwards drink plenty of water or milk. Do NOT induce vomiting.

## 5. Fire-fighting measures

Extinguishing media: Dry chemical powder. Carbon dioxide. Foam.

Hazardous Combustion products: None known.

Protective equipment: As in any fire, wear self-contained breathing apparatus and full protective gear.

## 6. Accidental release measures

Personal Precautions: Avoid contact with eyes.

Protective Equipment: None needed.

Emergency procedures: None needed.

Environmental precautions: Prevent entry into waterways, sewers basements, or confined areas. Do not flush into surface water or sanitary system.

Methods for Containment: Use absorbent material to prevent further leakage or spillage if safe to do so.

For cleaning-up: Keep in suitable, closed containers for disposal

## 7. Handling and storage

Advice on safe handling: Handle in accordance with good industrial hygiene and safety practice.  
Avoid contact with eyes.

Storage: Keep containers tightly closed.

## 8. Exposure controls / personal protection

Exposure Guidelines: This product does not contain any hazardous materials for which substance-specific occupational exposure limits have been established by regulatory bodies.

Engineering Measures: None needed. Suitable means of rinsing eyes with water is recommended.

Personal Protective Equipment: No need for personal protective equipment is anticipated for reasonably foreseeable conditions of use.

Hygiene Measures: Handle in accordance with good industrial hygiene and safety practice.

## 9. Physical and chemical properties

Appearance: solid

Color: Beige to yellow

Odor: sandalwood

pH: N/A

Specific gravity: N/A

Solubility in water: insoluble in water.

Vapor Density: No data available.

Boiling Point: No data available.

## 10. Stability and reactivity

Stability: Stable at normal temperatures and pressures.

Conditions to avoid: Heat, flames and sparks.

Materials to avoid: Strong oxidizing agents.

Hazardous decomposition products: Normal products of combustion.

## 11. Toxicological information

This product is safe for its intended use based on the formulation, testing results, and the long history of safe consumer use.

## 12. Ecological Information

|                                |                                         |
|--------------------------------|-----------------------------------------|
| Ecotoxicity:                   | Not established.                        |
| Persistence and degradability: | The product itself has not been tested. |
| Bioaccumulative potential:     | The product itself has not been tested. |
| Mobility:                      | The product itself has not been tested. |
| Other adverse effects:         | None Known.                             |

## 13. Disposal consideration

Waste Disposal Methods: Dispose of in accordance with all applicable federal, state, and/or local regulations.

## 14. Transport information

1. Inspection Methods and Procedures

IATA Dangerous Goods Regulations (DGR) 66th Edition

2. Identification results

(Hazards identification)

None.

3. Hazard Classification and Identification Report for Transport of Goods

1. Identification of Explosive Hazards

The product is not classified in Explosives

2. Identification of Flammable Hazards

3. Identification of Oxidative Hazards

The product is not classified in Oxidizing Substances and Organic Peroxides

4. Identification of Toxic & Infectious Hazards

The product is not classified in Toxic and Infectious substances

5. Identification of Radioactive Hazard

6. Identification of Corrosive Hazard

The product is not classified in Corrosives.

7. Identification of other Hazards

The product presents no other dangerous properties

## 15. Regulatory information

Safety, health and environmental regulations/legislation specific for the substance or mixture National regulatory information Other regulations Please pay attention on the waste treatment should also comply with local regulations requirement.
