

SAFETY DATA SHEET

Formulations, Inc – Skokie IL – 800-368-5426

1. Chemical Product and Company Identification				
Product Name: Mouthwash- Alcohol Free	CAS Number:	Emergency Contact #: 847-674-9141	Date of Issue:10/1/2025	Last Revision: 10/1/2025

2. Hazards Identification
It is not hazardous under the Department of Labor definitions.

3. Composition / Information on Components
All ingredients are FDA GRAS No ingredients are hazardous according to OSHA standards.

4. First Aid Measures
Ingestion: Do not induce vomiting. Eyes: If eyes are irritated rinse with water Skin: Rinse or towel off. Inhalation: No ill effects expected.

5. Fire Fighting Measures	
Extinguishing Media: CO2, dry chemical or appropriate foam.	Fire fighting protection: Firefighters should wear full protective equipment and NIOSH approved self-contained breathing apparatus.
Unusual Fire and Explosion Hazards: None expected	

6. Accidental Release Measures
Spill: Contain spilled material. Transfer to secure containers. Where necessary use absorbent media to pick up material. User should determine if spill should be reported according to regulations.

7. Handling and Storage
Precautions for safe handling: Store in a cool dark area away from heat and light.

8. Exposure Controls / Personal Protection

Respiratory Protection: Not unless mists are expected	Ventilation: Not unless mists are expected	Protective Gloves: N/A
Eye Protection: N/A	Other Equipment: N/A	Work / Hygienic Practices: N/A

9. Physical and Chemical Properties

Boiling Point: 212 F	Vapor Pressure: <1 mmhg at 25c	Vapor Density: N/A	Solubility in Water: Miscible
Specific Gravity: 1	Melting Point, F: 32 F	Flash point:	pH 6
Appearance: Water white liquid		Odor: Peppermint	

10. Stability and Reactivity

Stability: Stable	Incompatibility: Strong oxidizers	Hazardous Polymerization: Not expected
----------------------	--------------------------------------	--

11. Toxicological Information

Acute toxicity
Oral LD50: Not determined
Dermal LD50: Not determined
Inhalation LD50: Not determined

Carcinogenicity:
Not listed by IARC, NTP or OSAH

Chronic effects:
Mutagenicity”: No evidence of a mutagenic effect
Teratogenicity: No evidence of a teratogenic effect (birth defect)
Sensitization: No evidence of sensitization effect.

TSCA Status: All chemical substances found in this product comply with the Toxic Substances Control Act inventory reporting requirements.

US State Regulations
California:

This product contains No chemicals listed by the State of California under Proposition 65.

12. Ecological Information

Ecotoxicological Completely biodegradable

Bioaccumulation:
Not Established

Other Information:
This material is not expected to be harmful to the environment.

13. Disposal Consideration

Waste Disposal: Dispose of in accordance with all federal, state and local regulations.

Ecology – Waste materials: Avoid release to the environment.

14. Transport Information

In accordance with ADR / RID / ADN / IMDG / ICAO / IATA

14.1. UN number

Not applicable

UN proper shipping name

Proper shipping name: NOT REGULATED

Additional information

This material is not regulated by DOT or IATA

15. Regulatory Information

US Federal Regulations

Contents of this MSDS comply with the OSHA Hazard Communication Standard 29CFR 1910.1200.

(HazCom 2012)

TSCA Status: All chemical substances found in this product comply with the Toxic Substances Control Act inventory reporting requirements.

US State Regulations

California:

This product contains No chemicals listed by the State of California under Proposition 65.

16. Other Information

HMIS Health: 0	HMIS Flammability: 0
HMI Reactivity: 0	HMIS Personal Protection: X
