

Synergised to comfort, soothe, and repair muscles and tissue, this deeply active balm focuses on relieving pain and stiffness. The formula reduces inflammation and repairs injuries. Use prior and post-exercise to enhance comfort and improve flexibility.

BENEFITS

- Reduce swelling and inflammation
- Reduce joint stiffness
- Reduce muscle pain and discomfort
- Speed up healing time after injury
- Comforts and soothes muscles, nerves, and joints

MAIN INGREDIENTS

FRACTIONATED COCONUT OIL

Antibacterial, high Lauric Acid content, and rich in nutrients.

HYDROGENATED VEGETABLE OIL

Texture enhancer, thickener, and sourced ethically and from natural sources.

SOLID COCONUT OIL

Moisturiser for the skin and hair. It can hydrate and soften the skin.

CALENDULA OIL

Antifungal, anti-inflammatory, and antibacterial properties that might make it useful in healing wounds, soothing eczema, and relieving diaper rash. It's also used as an antiseptic.

MAY CHANG OIL

Good antiseptic, antifungal, and antiviral properties too, which can be used to help keep coughs, colds, and athletes' feet at bay.

PEPPERMINT OIL

It is excellent for pain, inflammation, spasms, and circulation stimulation. It is emotionally and energetically stimulating.

IMMORTELLE OIL

It has a strong impact against free radicals and significantly stimulates collagen production.

LAVENDER OIL

Promotes relaxation, is anti-inflammatory, and an analgesic.

MARJORAM OIL

It reduces inflammation and relieves digestive issues.

COMFREY OIL

It is one of Mother Nature's best-known medicinal healing herbs.

ROSEMARY OIL

Regenerating, analgesic, balancing, and cleansing.

ST JOHN'S WORT OIL

Remedy for closed wounds, veins, bruising, ulcers, neuralgic and rheumatic pains.

FLEABANE EXTRACT

Diuretic and astringent properties. Lowers blood pressure. Helps treat kidney and menstrual problems.

DAISY EXTRACT

It heals strains, sprains, spasms, and bruises. In addition, it improves blood circulation, an important component for the healing of injured muscle tissue.

ARNICA MONTANA OIL

Reduces inflammation and pain-related issues, dissolves bruising.

PAEONY EXTRACT

It helps heal inflammation, according to traditional Chinese medicine. One particular species, *Peonies lactiflora*, has been used in Chinese medicine to treat rheumatoid arthritis, systemic lupus erythematosus, hepatitis, dysmenorrhea, muscle cramping, spasms, and fever.

RUE EXTRACT

It is a prime agent for treating injuries to ligaments, tendons, and joints, especially following chronic overuse and strain. Generally effective for stiffness, rheumatic and connective tissue problems, bruising, and inflammation.

MAGNESIUM CHLORIDE

Promote healthy skin by improving hydration and elasticity.

Help reduce inflammation and redness associated with various skin conditions

It has muscle-relaxing properties.

It may help relieve muscle tension, cramps, and soreness, making it beneficial for athletes or individuals with muscle-related discomfort.

It plays a role in regulating the body's stress response.

It promotes relaxation and reduces stress levels by aiding in the production of neurotransmitters like serotonin.

It is involved in regulating sleep patterns and promoting relaxation, improving sleep quality and duration.

Promoting cell regeneration and tissue repair.

Provide localised pain relief for conditions such as arthritis, joint pain, or neuropathy.

DIRECTIONS

Apply directly to the targeted area as needed. Best results when applied or used in conjunction with the Bellabaci Super or Body Cups.

CONTRAINDICATIONS

Do not use if pregnant, breastfeeding or if there are any allergies to the ingredients.
