

MEET THE GENIES

SKIN GET A LIFE

Dramatically soften skin and minimize the look of wrinkles, scars, stretch marks, and dryness. This special blend of hand-selected plant oils, including rosehip, baobab, and argan, help provide a healthy, hydrated appearance. Intense moisturization also helps skin maintain suppleness.

CIRCU FLOW

Indulge parched skin with this silky-smooth gel, which melts into a luscious oil on contact. Its invigorating blend of essential oils, including rosemary, cypress, and juniper berry, offers a clarifying fragrance to energize and inspire. These beautifully balanced oils mingle with bay leaf and horsetail oil to round out a truly unique aromatherapeutic experience.

CELLULITE BE GONE

Fight the appearance of cellulite by treating yourself with this synergistically formulated blend of coconut, moringa, marula, and citrus oils. Cellulite Be Gone's clean, uplifting fragrance communicates cheerfulness while its decadent moisturizers provide a youthful-looking appearance to the skin.

HELLO BODY MECHANIC

Arnica, peppermint, wintergreen, black cumin seed oil, and other invigorating plant oils offer refreshingly cool comfort to tired muscles when coupled with a gentle massage. Hello Body Mechanic provides superior glide and won't stain.

BYE BYE BELLY BLUES

Gently massage the area around the stomach with Bye Bye Belly Blues. Breathe deep and relax as first press virgin coconut oil carries a unique blend of lavender, petitgrain, eucalyptus, and orange essential oils to impart a truly unique aromatherapeutic experience.

STRESS NO MORE

Restore balance with a soothing blend of sweet briar rose, citrus, and jasmine essential oils plus St. John's Wort. Stress No More is truly a relaxing respite from life's day-to-day challenges. Gently massage it into parched skin for intense moisturization and an amazing aromatherapeutic experience.
