

thyme to go au naturel

Botanical LUCAS-CIDE Thyme harnesses the natural disinfecting power of thyme (yes - the herb!) to eliminate 99.9% of viruses and bacteria on all hard, non-porous surfaces. One-step LUCAS-CIDE Thyme is powerful yet non-corrosive, streak-free, requires no mixing, and is free of synthetic chemicals. As an EPA category IV disinfectant it has the lowest level of toxicity, is highly biodegradable, requires no PPE, and will not irritate skin, eyes or lungs. LUCAS-CIDE Thyme is au naturel!

Virucidal, germicidal and fungicidal efficacy in the presence of 5% blood serum

Kills TB, Norovirus, MRSA, and MRSE
