## ACTIVE INGREDIENTS

**African Kigelia** - Its special composition of peptides from the plant is able to generate an invisible and elastic net under the skin. Fights against loose and saggy skin. Optimal tonifying and moisturizing agent.

**Organic Silicon** - Known as a beautifying mineral, it has a significant capacity to penetrate the skin. It is able to strengthen the connective tissues and to restructure the fibers of elastine and collagen.

## INFO

Apply a small amount of the gel on breast and décolleté area and massage gently until the product is completely absorbed.

For external use only. Avoid contact with mucous membranes.

Do not continue use in the event of irritation. Not suitable for children's skin.
