

Synergized to comfort, soothe, and repair muscles and tissue, this deeply active balm focuses on relieving pain and stiffness. The formula reduces inflammation and repairs injuries. Use prior and post-exercise to enhance comfort and improve flexibility.

BENEFITS

- Reduce swelling and inflammation
- Reduce joint stiffness
- Reduce muscle pain and discomfort
- Speed up healing time after injury
- Comforts and soothes muscles, nerves, and joints

MAIN INGREDIENTS

FRACTIONATED COCONUT OIL

Antibacterial, high Lauric Acid content, and rich in nutrients.

IMMORTELLE OIL

It has a strong impact against free radicals and significantly stimulates collagen production.

COMFREY OIL

It is one of Mother Nature's best-known medicinal healing herbs.

FLEABANE EXTRACT

Diuretic and astringent properties. Lowers blood pressure. Helps treat kidney and menstrual problems.

PAEONY EXTRACT

It helps heal inflammation, according to traditional Chinese medicine. One particular species, Peonies lactiflora, has been used in Chinese medicine to treat rheumatoid arthritis, systemic lupus erythematosus, hepatitis, dysmenorrhea, muscle cramping, spasms, and fever.

RUE EXTRACT

It is a prime agent for treating injuries to ligaments, tendons, and joints, especially following chronic overuse and strain. Generally effective for stiffness, rheumatic and connective tissue problems, bruising, and inflammation.

CALENDULA OIL

Antifungal, anti-inflammatory, and antibacterial properties that might make it useful in healing wounds, soothing eczema, and relieving diaper rash. It's also used as an antiseptic.

MAY CHANG OIL

Good antiseptic, antifungal, and antiviral properties too, which can be used to help keep coughs, colds, and athletes' foot at bay.

LAVENDER OIL

Promotes relaxation, is anti-inflammatory, and an analgesic.

ROSEMARY OIL

Regenerating, analgesic, balancing, and cleansing.

DAISY EXTRACT

It heals strains, sprains, spasms, and bruises. In addition, it improves blood circulation, an important component for the healing of injured muscle tissue.

PEPPERMINT OIL

It is excellent for pain, inflammation, spasms, and circulation stimulation. It is emotionally and energetically stimulating.

MARJORAM OIL

It reduces inflammation and relieves digestive issues.

ST JOHN'S WORT OIL

Remedy for closed wounds, veins, bruising, ulcers, neuralgic and rheumatic pains.

ARNICA MONTANA OIL

Reduces inflammation and pain-related issues, dissolves bruising.

DIRECTIONS

Apply directly to the targeted area as needed. Best results when applied or used in conjunction with the Bellabaci Super or Body Cups.

CONTRAINDICATIONS

Do not use if pregnant, breastfeeding or if there are any allergies to the ingredients.
