

Transform dry, stressed and dehydrated skin with this luxurious coconut-infused wellness balm. Cocopelle deeply nourishes, softens and protects the skin while enhancing massage, on its own or in conjunction with cupping and Gua Sha rituals for a visibly smoother, healthier glow after every treatment.

BENEFITS

- Deeply nourishes dry, stressed and dehydrated skin
- Reinforces the skin barrier for long-lasting hydration
- Helps calm redness, irritation and itchiness
- Creates exceptional glide for massage, cupping and Gua Sha
- Leaves skin soft, radiant and silky smooth
- Supports relaxation and wellness rituals
- Helps improve the appearance of rough texture and stretch marks
- Suitable for face and body treatments
- Ideal retail companion for home care between treatments

MAIN INGREDIENTS

FRACTIONATED COCONUT OIL

Contains high concentrations of lauric acid, which is antimicrobial. It assists in reinforcing the skin's natural lipid barrier and locks moisture in the skin, promoting hydration. Suitable for all skin types. Great for improving dry, rough, scaly, and itchy skin, due to its moisturizing actions. It's an antibacterial, antifungal, antioxidant, anti-bruising, and hypoallergenic oil.

HYDROGENATED VEGETABLE OIL

Texture enhancer, thickener and sourced ethically and from natural sources

COCONUT OIL

Moisturizer for the skin and hair. It can hydrate and soften the skin.
