

Formulated to relieve discomfort and increase the body's natural healing capabilities. Addresses all aspects related to pain and injury such as pain, inflammation, trauma, post-surgery recovery, sprains, strains, spasms, nerve-related, and removal of pressure-causing congestive fluids. Renders support compromised capillaries to heal bruising and speed up the removal of cellular by-products caused by injury or stress. The psychological properties of this Genie assist with restoring vitality and optimism and dispelling melancholy – traits that are important for those experiencing pain.

### BENEFITS

- Relieves Pain and Inflammation
- Breaks down toxin activity leading to muscular spasms
- Heals and soothes
- Speeds up healing after trauma, surgery, or injury
- Expels pressure-causing fluids
