

# Reverse Time. Reveal Radiant Skin.

Ceramide-C  
replenishes your  
skin's natural  
moisture barrier  
to fight dryness  
and wrinkles.  
Just one capsule  
delivers smoother,  
silky skin from  
face to hands.

Use one  
capsule daily,  
morning  
or night.

Ceramides create a  
waterproof seal on the  
skin's surface, preventing  
hydration loss, maintaining  
a healthy skin barrier,  
and protecting against  
environmental irritation.
