

Where Medi meets Pedit[®]

Anti-Microbial Toe Nail Tincture Spray

An effective spray containing anti-microbial Spiraleen[®] provides care for unsightly toenails prone to fungal infections.

Recommended for:

- Unsightly, darkened, thickened toenails with deep ridges
- Toenails yellowed from extended wearing of nail polish and "aggressive" pedicures
- Wearers of narrow shoes with tight toe boxes and non-breathable footwear
- Safe for diabetics
