

Cooling Comfort Keeps You Moving

Get back to doing what you love with Kneipp's fast-acting, cooling gel. Formulated with Arnica, Menthol, and Mountain Pine Oil, it offers:

- a refreshing sensation for muscles and joints
- a revitalizing scent
- quick absorption without leaving residue

Arnica is widely recognized in herbal tradition as a powerful plant. It's ideal for those with active lifestyles or anyone seeking to soothe tight muscles, making it perfect for post-workout use and daily recovery routines.
