

The World's 1st ECOCERT Certified Serums for Enhancing Lashes

Dermatologist tested & approved

Safe for sensitive eyes

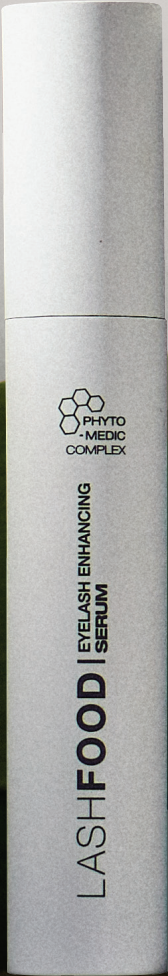

Drug & irritant free

Nourishes lashes to look longer, thicker, & stronger

The infographic illustrates the mechanism of LASHFOOD serum. It features a central diagram of an eyelash follicle with a growing lash. Five callout boxes describe its benefits: 'medicinal herb extracts to reinforce and boost lashes', 'contains ginseng root extract to improve blood circulation', 'clinically proven for visibly longer, thicker looking lashes', 'nourishes lashes from the follicle', and 'Safe with no side effects'. Below the diagram is the text 'LASHFOOD PHYTO-MEDIC COMPLEX'.
