

**Advanced Therapy™ Massage Creme**

Wonderfully silky, this formula applies like a rich creme and performs like an oil to give you the performance benefits of both textures in one. This formula offers higher friction and less glide than oil yet it won't absorb as fully or as fast as lotions. Advanced Therapy Massage Creme offers therapists the unique combination of effective lubricants with nothing to irritate even the most sensitive, delicate skin. Sensitivity tested and proven safe, this formula contains no drying alcohol, mineral or nut oils or strong fragrance so you can use it as frequently as you'd like. Advanced Therapy Creme is based with skin Apricot Oil to soften skin, Grapeseed Oil for its exceptional light texture and non-greasy finish and Sesame Oil, which soothes and moisturizes all skin types, and can aid eczema and psoriasis.

FEATURES	BENEFITS
Tested through Labs to be officially qualified as Hypoallergenic and safe for sensitive skin.	Ideal for clients with sensitive skin.
Combines the best features of an oil & lotion in one product	Provides the lasting workability of oil and the clean absorbency of lotion. Very versatile. Apply a larger amount to skin and have the lasting glide of oil, or use less and create more friction for deeper work into tissues. Can be used for multiple massage techniques. One product can do the work of two separate products.
Oils are cold-pressed extracted.	Helps maintain the natural vitamins and minerals content to maximize skin benefits.
Seed oil based.	Ideal for clients with allergies or sensitivity to nut oils.
Contains Grape Seed Oil	Very gentle on skin. Suitable for all skin types. With high levels of linoleic acid, an essential fatty acid, reportedly, grapeseed oil is 50-times more potent an antioxidant than Vitamin C & E.
Contains Sesame Oil	Moisturizing for skin eczema and psoriasis. Excellent moisturizing, soothing and emollient qualities.
Contains Apricot Oil	Softening to the skin. Good for mature or dry skin types.
Unscented	For clients who are sensitive to fragrances, essential oils, and extracts. Can also be used as an aromatherapy base if desired.
Both 6 and 16 oz sizes come with dispensing pumps	Creme texture in the convenience of a pump.
Water based emulsion	Easy to remove from linens and clothing. Minimizes staining.

Selling Tips:

- Sensitivity tested, hypo-allergenic and proven safe
- No drying alcohol, mineral oils or nut oils
- Unscented and non-greasy finish
