

Facial Therapy Massage Creme with Bio-Firming Complex

BIOTONE's Facial Therapy Massage Crème with Bio-Firming Complex is a blend of firming actives, skin smoothing botanicals silky emollients. Formulated specifically for the areas of the face, neck and décolleté. Ph Balanced, non-comedogenic, and non-greasy, this sensitive skin formula contains anti-aging and firming actives of CoQ10 (firming and toning), Vitamin K (helps reduce the appearance of tiny veins) and Vitamin C (collagen building). Natural botanicals of White Peach, Pineapple Enzyme, Quince and Mango Mandarin help to soften and smooth the skin. Essential oils of Tangerine, Rosewood and Lemongrass provide a fresh light aroma.

FEATURES	BENEFITS
Vitamin K	Successful for the treatment for dark circles under the eyes and bruising on the face.
Vitamin C	Improves skin appearance by reducing fine lines and wrinkles. Wound healing as it aids in stabilizing collagen. Protects against or lessens the severity of sunburns.
CoQ10	Increases collagen and elastin in the skin. Help repair damaged skin cells.
Mango	An excellent source of anti-oxidants of vitamin A and C as well as beta-carotene.
Mandarin	For toning and relieving congestion in skin, and stretch marks. Good for insomnia and nervous tension.
Pineapple	Contains the enzyme bromelain that can break down the connecting layers between skin cells to exfoliate skin. Helps break down protein and digest the dead cells on the surface of the skin.
Quince	Provides soothing and softening properties.
White Peach	Relaxing and calming. Soothing and softening to skin.

Selling Tips:

- blend of firming actives, skin smoothing botanicals and skin emollients
- pH balanced
- can be used as a leave on moisturizer – If you use more frequently use w/an exfoliant
