
Hair Spray

Description

This Hair Spray is hand-blended with gentle soy proteins that condition and hold hair in shape. This non-aerosol, quick drying formula leaves no sticky residue, dry flakes, or hard crunching finish.

Benefits:

- ❑ Contains gentle soy proteins that condition and hold hair in shape.
- ❑ Non-aerosol.
- ❑ Quick drying.
- ❑ Leaves no sticky residue, dry flakes, or hard crunching finish.

Ingredients

Purified Water, SDA-40, Organic Aloe, Chitosan PCA, Lauryldimonium Hydroxypropyl Hydrolyzed Soy Protein.

Chitosan PCA	Has film forming, humectant, and skin conditioning properties. Thickens and gives slip to a product.
Lauryldimonium Hydroxypropyl Hydrolyzed Soy Protein	A wide variety of preservatives, surfactants, germicides, sanitizers, antiseptics, and deodorants used in cosmetics. Soy amino acids come from soy beans and are thought to have anticancer, antipigmentary, and antioxidant properties. They are used in skin and hair conditioners.
Organic Aloe	An emollient with hydrating, softening, healing, antimicrobial, and anti-inflammatory properties.
Purified Water	Water that is mechanically filtered or processed so that it is clean and free of any contaminants.
SDA-40	An alcohol, found in most hair sprays. Used as a drying agent so that wet sprays dry quickly.

Usage Instructions

1. After styling hair, use this hair spray to hold the style in place.
