

Calming Balm

Sizes Available
2.5oz, 6oz

Product Description:

Healing balance is what this balm does best. Also appropriate for skin on the mend from acne or suffering from dehydration, eczema, psoriasis, seborrheic dermatitis or product-sensitivity rashes.

Skin Conditions:

For sensitive, irritated or tender skin.

Benefits:

- Reduces itchy, dry, red or over stimulated skin
- Light, easy penetrating and non-comedogenic
- Heals, calms and soothes skin
- Creates a light barrier to protect the skin from the elements without feeling greasy

Usage: May be used once or twice a day to calm the skin. Makes the skin feel soothed and balanced.

Treatment Room: Beta Clear Facial

Featured Actives:

Hydrocortisone 0.1% - An ingredient used to calm down irritation and reduce itch. Hydrocortisone has been used for years in the treatment of poison ivy and insect bites to reduce itching.

Vitamin E (Tocopherol) - An antioxidant found in essential oils and vegetable oils. Also known as tocopherol, this wonderful vitamin, when applied topically, is well absorbed through the skin. It is attributed with reducing skin pigmentation, decreasing functioning of the sebaceous glands, increasing water retention in the skin, and serving as a super antioxidant and free radical scavenger. It is also helpful as an UV protectant.

Shea Butter - Protects and moisturizes the skin. It is beneficial in a treatment cream as it offers excellent skin penetration and is highly emollient.

Lemon Peel Extract - This fragrant essential oil extract is excellent in the treatment of problem skin. It is considered astringent, antiseptic, antibacterial, and balancing.
