Featured Actives:

Aloe Vera - Known for its anti-inflammatory and antibiotic properties. Aloe Vera is made up of the most precious substances of our skin – enzymes, vitamins, proteins, and minerals that support all skin functions and activate the skin's self-healing power. Aloe Vera helps maintain the skin's moisture balance and stimulates blood circulation. It has been used to calm and soothe burns and irritations. It also moisturizes.

Panthenol - This highly moisturizing ingredient aids in tissue repair and stimulates cellular proliferation. Panthenol also helps the skin promote wound healing and is anti-inflammatory. Its ability to attract water from the environment makes it provide added hydration and suppleness to the skin.

Allantoin - An excellent ingredient for sensitive, acneic, and irritated skin conditions. It is a botanical extract derived from comfrey root and is known to be healing. Furthermore, studies show that this extract aids in the healing of scarred skin by stimulating new tissue growth.

Balancing Thermogel Mask

Chamomile - Chamomile Extract has many beneficial properties including being anti-inflammatory, soothing, decongesting, antiseptic, and toning. It is anti-itching and bactericidal with an ability to neutralize skin irritations. Excellent in the treatment of inflamed, itchy, or irritated acneic conditions.

Vitamin E (Tocopherol) - An antioxidant found in essential oils and vegetable oils. Also known as tocopherol, this wonderful vitamin, when applied topically, is well absorbed through the skin. It is attributed with reducing skin pigmentation, decreasing functioning of the sebaceous glands, increasing water retention in the skin, and serves as a super antioxidant and free radical scavenger. It is also helpful as an UV protectant.

Sodium Hyaluronate - Credited with incredible water binding capabilities, which in turn helps improve the skin's elasticity and increasing moisture content. Considered a natural moisturizer for the skin this is a must-have ingredient for dry, dehydrated skin types.
