

## Vitamin C Brightening Mask (Powder)

# Vitamin C Brightening Mask (Powder)

Sizes Available  
8oz

### Product Description:

This versatile and dynamic antioxidant mask system provides repair, rejuvenation, lightening, firming and purification in one. It is highly effective after exfoliation procedures to calm the skin, and feed the skin a dose of Vitamin C.

### Skin Types & Conditions:

All skin types. Targeted for sun damaged skin, hyperpigmented, active acne or acne-prone skin.

### Benefits:

- Enhances brightness and clarity
- Fights free-radical damage
- Reduces inflammation
- Firms and tones

**Usage:** Mix one teaspoon of **Vitamin C Brightening Mask (Powder)** with enough **Vitamin C Brightening Activator** to create a creamy paste. Apply evenly to the skin with a fan brush. Avoid eye-lid area. Leave mask on for approximately 10 minutes and remove with warm water, refer to *Control Corrective's Technical Manual*.

**Treatment Room:** C New Brightness Facial.

### Featured Actives:

**L Ascorbic Acid** - Considered one of the most stable forms of Vitamin C, it is known to lighten the skin, fight free radical damage, and promote tissue repair while strengthening the dermal layer of the skin. Evidence suggests that Vitamin C also helps heal damaged skin tissue and is often added to burn ointments. Recent research also shows that Vitamin C has anti-inflammatory benefits and can help protect against UVB damage.

**Aloe Barbadensis Leaf** - Known for its anti-inflammatory and antibiotic properties. Aloe Vera is made up of the most precious substances of our skin – enzymes, vitamins, proteins, and minerals that support all skin functions and activate the skin's self-healing power. Aloe Vera helps maintain the skin's moisture balance and stimulates blood circulation. It has been used to calm and soothe burns and irritations and it is moisturizing.

**Allantoin** - An excellent ingredient for sensitive, acneic and irritated skin conditions. It is a botanical extract derived from the comfrey root and is known to be healing. Furthermore, studies show that this extract aids in the healing of scarred skin by stimulating new tissue growth.
