**Featured Actives:**

**Chamomile (*Matricaria chamomilla*)** - Excellent extract for sensitive or allergy-prone skin. Is known to offer antimicrobial and anti-inflammatory properties. The essential oil that is distilled from the leaves and flowers is among the few essential oils that do not irritate the skin but have counter-irritant, anti-inflammatory, antiseptic and antibacterial properties.

**Euphrasia Officinalis (Eyebright) Extract** - Eyebright been used in ophthalmic (eye) solutions for centuries all over the world . Eyebright was and continues to be used primarily as a poultice, compress or eye rinse for the topical treatment of eye inflammations, including blepharitis, conjunctivitis, and sty's. A compress made from eyebright can give rapid relief from redness, swelling, eye fatigue and visual disturbances in acute and eye infections. Eye bright was used as early as the time of Theophrastus (Greek philosopher and biologist, student of Plato and Aristotle – (Circa AD 64), who prescribed infusions of eyebright for the treatment of eye infections.

**Aloe Vera** - Known for its anti-inflammatory and antibiotic properties. Aloe Vera is made up of the most precious substances of our skin – enzymes, vitamins, proteins, and minerals that support all skin functions and activate the skin's healing-healing power. Aloe Vera helps maintain the skin's moisture balance and stimulates blood circulation. It has been used to calm and soothe burns and irritations, and it is moisturizing.

### Soothing Chamomile Eye Makeup Remover

**Grape Seed Extract** - This extract is considered non-irritating and very soothing. It helps reduce redness in the skin. It decongests, acts as an antioxidant, and is anti-inflammatory. It is moisturizing and nourishing to the skin. It has naturally occurring Vitamin C, chlorophyll, and enzymes.

**Cucumber Extract** - An aromatic extract that adds an astringent and antibacterial action. It is moisture binding and moisture regulating, soothing, tightening, anti-itching, and anti-inflammatory as well as refreshing, softening and healing.

**Witch Hazel Extract** - Known for its astringent properties, Witch Hazel extract is also toning, anti-inflammatory, and regulating. Derived from the leaves and bark of the tree, also known as Hamamelis, it has a proficient vasoconstrictor effect that is excellent for inflamed irritated or acneic skin conditions.
