

## **Stimulating Massage Oil**

---

Stimulating Massage Oil contains cold pressed oils of almond, grapeseed, sunflower, natural vitamin E, and an exclusive blend of organic essential oils including rosemary, thyme, cypress, and geranium. Pre-exercise blend to increase circulation to muscles to aid in warming up.

**Rosemary**      Astringent, toning and stimulating. Improves circulation thereby aiding in skin regeneration.

**Thyme**          Antibacterial and stimulating.

**Cypress**        Healing and Soothing. Great for treating acne clients.

**Geranium**      Anti-irritant, astringent and assists in cell regeneration.

For a full “stimulating” aromatherapy body massage, apply a small quantity of stimulating massage oil and proceed with massage. May also be added directly to a warm bath or mixed with salts for a nice scrub.

For Professional Use Only.
