
Diamond Collagen Mask

Description

This innovative treatment instantly lifts the skin, reducing the appearance of fine lines and wrinkles. Treatment improves elasticity, facial contour modeling, reduced signs of tiredness and stress. Visibly smoothes facial features, provides stimulation of defense system resulting in a noticeably fresh, rejuvenated, and radiant complexion.

Skin Type: All Skin Types

Benefits:

- ❑ Lifts, firms, and brightens all skin types.
- ❑ Helps diminish the appearance of fine lines and wrinkles, improve elasticity, and reduce the signs of fatigue and stress.

Ingredients:

Aqua, Glycerin, Niacinamide, Marine Collagen, Hyaluronic Acid, Algin, Sodium PCA, Shea Butter, Aloe Barbadensis, PEG-40 Hydrogenated Castor Oil, Phenoxyethanol, Mica, Zinc Oxide, Ubiquinone, Platinum Powder, Silver.

Algin	Thickener, stabilizer. Obtained from brown seaweed.
Aloe Barbadensis	An emollient with hydrating, softening, healing, antimicrobial, and anti-inflammatory properties.
Aqua	Water
Glycerin	A solvent, humectant, and emollient. It absorbs moisture from the air.
Hyaluronic Acid	A substance that occurs naturally in the dermis. It is a natural moisturizer with excellent water-binding capabilities. When applied to the skin, it forms a film similar to the way it holds water in the intracellular matrix. The ability to hold water provides smoothness, improving the skin's appearance.
Marine Collagen	Derived from the substance found on fish scales. Helps diminish the signs of aging and decrease the negative effects of toxins.
Mica	Silicate mineral that is a texturizer and coloring agent.
Niacinamide	Vitamin B. Skin stimulant.
PEG-40 Hydrogenated Castor Oil	A hydrophilic emulsifier, stabilizer, antigellant, and lubricant.
Phenoxyethanol	Broad range preservative with fungicidal, bactericidal, insecticidal, and germicidal properties.
Platinum Powder	Has an excellent bio-catalysis, antioxidant properties, and stable coloring properties.
Shea Butter	Emollient that helps alleviate skin dryness.

Silver	Serves as a catalyst, germicide, and coloring agent.
Sodium PCA	High performing humectant derived from amino acids. Found naturally in the skin.
Ubiquinone	Antioxidant and skin conditioner.
Zinc Oxide	Protects, soothes, and heals the skin. Provides an excellent barrier to the sun and other irritants. Somewhat astringent, antiseptic, and antibacterial.

Usage Instructions

1. Open foil pack, remove the two sections of the translucent crystal face mask, unfold, and place on face.
2. Remove after 15-20 minutes.
3. Do not rinse or wash the face after use. Massage in the remaining ingredients.
